

Accessories - Kestrel General - Tactical MOLLE Carry Case, Kestrel 5 Series, Berry Compliant CAM

[Shooting Accessories](#) > [Windmeters & Flags](#) > [Windmeters](#)

The Kestrel Tactical Pouch is the perfect transport solution for Kestrel measuring devices. Made from durable 500D Cordura® nylon and 200D Kevlar®, it provides reliable protection against wear and tear. Made in the USA, it impresses with durability and lightweight design.

The pouch is ideal for Kestrel devices with a 1-inch (2.54 cm) Globe Stalk, such as the Kestrel Heat Stress Tracker. Thanks to MOLLE/PALS compatibility, it can be attached to gear in multiple ways. Available in several colors, including black. Perfect for tactical use.

Kestrel General Tactical MOLLE Carry Case Safety Instructions

Introduction

Thank you for choosing the Kestrel General Tactical MOLLE Carry Case. This pouch is designed to provide a safe and effective way to transport your Kestrel measuring devices. To ensure your safety and the longevity of your product, please read and follow these safety instructions carefully.

General Safety Guidelines

- **Product Safety:** This pouch is made from durable materials to ensure safe use. It is designed to protect your Kestrel devices from wear and tear.
- **Enhanced Recalls:** In the unlikely event of a product recall, standardized notices will be provided. You will have access to free remedies for any dangerous products.
- **Online Shopping:** If purchased online, this product meets the same safety requirements as those bought in physical stores.
- **Special Consumer Focus:** This product is intended for adult users. Keep it out of reach of children to prevent any accidents.
- **EU Contact Point:** For safety inquiries, please refer to the documentation provided with your product.
- **Rapid Alerts:** Stay informed about any safety updates regarding this product by regularly checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Proper Usage:** Always ensure that your Kestrel device is securely placed inside the pouch before transport.
- **Avoid Overloading:** Do not exceed the recommended weight limit for the pouch to prevent damage.
- **Inspect Regularly:** Check the pouch regularly for signs of wear, such as fraying or damage, and discontinue use if any issues are found.
- **Keep Away from Water:** While the materials are durable, avoid exposing the pouch to excessive moisture to maintain its integrity.
- **Use with Compatible Devices:** Ensure that only Kestrel devices with a 1inch (2.54 cm) Globe Stalk are used with this pouch for optimal safety and fit.

Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the pouch from its packaging. Inspect for any visible damage.
2. **Attaching to Gear:**
 - Use the MOLLE/PALS compatibility to attach the pouch to your tactical gear.
 - Ensure that it is securely fastened and does not obstruct your movement.
3. **Inserting Kestrel Device:**
 - Open the pouch and place your Kestrel device inside.
 - Ensure that it fits snugly and is not loose.
4. **Closing the Pouch:**
 - Securely close the pouch to protect the device from external elements.
5. **Transporting:** Carry the pouch using the designated straps or attachments. Avoid carrying by the pouch itself to prevent strain on the seams.

Disposal Instructions

- **Environmental Considerations:** Dispose of the pouch in accordance with local regulations for fabric and plastic waste.

- **Recycling:** If applicable, recycle the materials to minimize environmental impact.
- **Do Not Incinerate:** Do not burn the pouch or its materials, as this may release harmful substances.

Contact Information for Further Support

For any questions or concerns regarding the Kestrel General Tactical MOLLE Carry Case, please refer to the contact information provided with your product documentation. Your safety and satisfaction are our top priorities. Thank you for your attention to these safety instructions.
