

Accessories - Kestrel General - Tactical MOLLE Carry Case, Kestrel 5 Series, Berry Compliant RNG

[Shooting Accessories](#) > [Windmeters & Flags](#) > [Windmeters](#)

The Kestrel Tactical Pouch is the perfect transport solution for Kestrel measuring devices. Made from durable 500D Cordura® nylon and 200D Kevlar®, it provides reliable protection against wear and tear. Made in the USA, it impresses with durability and lightweight design.

The pouch is ideal for Kestrel devices with a 1-inch (2.54 cm) Globe Stalk, such as the Kestrel Heat Stress Tracker. Thanks to MOLLE/PALS compatibility, it can be attached to gear in multiple ways. Available in several colors, including black. Perfect for tactical use.

Safety Instruction Guide for Kestrel General Tactical MOLLE Carry Case

Introduction

Thank you for choosing the Kestrel General Tactical MOLLE Carry Case. This product is designed for the safe and effective transport of Kestrel measuring devices. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- **Product Safety:** This carry case is designed to ensure safe use and protect your Kestrel devices from damage during transport.
- **Enhanced Recalls:** In the event of a safety issue, you will be informed through standardized recall notices.
- **Online Shopping:** If purchased online, this product meets the same safety requirements as those sold in physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided with the product.
- **Rapid Alerts:** Stay informed about any safety updates or recalls via the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that your Kestrel device is compatible with the carry case. It is designed for devices with a 1inch (2.54 cm) Globe Stalk.
- **MOLLE/PALS Attachment:** When attaching the carry case to other gear, ensure that all connections are secure to prevent accidental detachment.
- **Weight Limit:** Do not exceed the recommended weight limit for the carry case to avoid damage or personal injury.
- **Inspection:** Regularly inspect the carry case for signs of wear and tear. Do not use if damaged.
- **Avoid Moisture:** Keep the carry case dry. Prolonged exposure to moisture may compromise its durability.

Instructions for Installation and Usage

1. Attaching the Carry Case:

- Identify the MOLLE/PALS webbing on your gear.
- Slide the carry case straps through the webbing and secure them tightly.
- Ensure the case is firmly attached and does not move when pulled.

2. Storing Your Kestrel Device:

- Open the carry case zipper.
- Place the Kestrel device inside, ensuring it fits snugly.
- Close the zipper securely to protect the device from external elements.

3. Transporting the Carry Case:

- Carry the case using the handle or attach it to your tactical gear.
- Ensure that the case is not overloaded to maintain ease of transport.

4. **Regular Maintenance:**

- Clean the carry case with a damp cloth and mild detergent as needed.
- Allow it to air dry completely before storing.

Disposal Instructions

- **Recycling:** When the carry case reaches the end of its life, please recycle it according to local regulations.
- **Waste Disposal:** If recycling is not an option, dispose of the carry case in accordance with local waste management guidelines.

Contact Information for Further Support

For further support or inquiries regarding safety, please refer to the contact information provided with your product. It is important to keep this information handy for any future questions or concerns.

By following these guidelines, you can ensure safe and effective use of your Kestrel General Tactical MOLLE Carry Case. Thank you for your attention to these important safety instructions.
