Accessories - Kestrel General - Tactical MOLLE Armageddon Gear Kestrel Pocket Coyote Brown, Berry Compliant

This Kestrel Protective Case was specially designed to safely protect your Kestrel weather meter from shocks, scratches, dirt, and debris.

Your device fits snugly inside a soft, plush, padded pouch, which is encased in a hard plastic outer shell covered with Cordura.

A webbing loop provides the option to attach an ITW Tac Link or other mounting hardware, keeping your device secure and preventing loss.

Kestrel General Tactical MOLLE Armageddon Gear Kestrel Pocket Coyote Brown Safety Instructions

Introduction

Thank you for choosing the Kestrel General Tactical MOLLE Armageddon Gear Kestrel Pocket in Coyote Brown. This protective case is designed to keep your Kestrel weather meter safe from shocks, scratches, dirt, and debris. Please read this safety instruction guide carefully to ensure safe use and maintenance of your product.

General Safety Guidelines

- Ensure that the Kestrel weather meter is securely placed inside the protective case before use.
- Avoid exposing the case to extreme temperatures or direct sunlight for prolonged periods.
- Regularly inspect the case for any signs of wear or damage. If any damage is found, discontinue use immediately.
- Keep the product out of reach of children to prevent accidental misuse or injury.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use the protective case in environments where it may be exposed to hazardous materials or chemicals.
- Ensure that any mounting hardware used with the webbing loop is compatible and securely attached.
- Avoid dropping or throwing the case, as this may compromise its protective features.
- If using the case in wet conditions, ensure that the Kestrel weather meter is also rated for such environments.

Instructions for Installation and Usage

1. **Placement of the Kestrel Weather Meter**

    - Open the protective case by unzipping the pouch.
    - Carefully insert the Kestrel weather meter into the soft, plush, padded pouch.
    - Ensure that the device fits snugly without any force.

2. **Using the Webbing Loop**

    - Locate the webbing loop on the outer shell of the case.
    - Attach an ITW Tac Link or any other compatible mounting hardware to the webbing loop.
    - Ensure that the attachment is secure to prevent accidental detachment.

3. **Closing the Case**

    - Once the Kestrel weather meter is securely placed inside, zip up the case fully.
    - Check that the zipper is functioning properly and that the case is closed securely.

4. **Regular Maintenance**

    - Clean the exterior of the case with a damp cloth as needed.
    - Avoid using harsh chemicals or abrasives that may damage the Cordura material.

Disposal Instructions

- Dispose of the protective case in accordance with local regulations regarding plastic and electronic waste.
- If the case is damaged beyond repair, ensure that it is disposed of in a way that does not harm the environment.

Contact Information for Further Support

For any questions or concerns regarding the Kestrel General Tactical MOLLE Armageddon Gear Kestrel Pocket, please refer to the manufacturer's contact details provided with your product.

Thank you for your attention to these safety guidelines. Enjoy using your Kestrel weather meter with confidence!
