Kestrel General Tactical MOLLE Carry Case Safety Instruction Guide

Introduction

Thank you for choosing the Kestrel General Tactical MOLLE Carry Case, HST Series. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose, which is to carry Kestrel measuring devices.
- Inspect the carry case regularly for any signs of wear or damage. Do not use if damaged.
- Keep the carry case away from sharp objects, excessive heat, and moisture to maintain its integrity.
- Store the carry case in a cool, dry place when not in use.
- Follow all local regulations regarding the use and disposal of nylon and Kevlar materials.

Specific Safety Precautions for Use

- Avoid overloading the carry case beyond its intended capacity to prevent damage.
- When using the carry case in outdoor environments, ensure that it is securely attached to your gear to prevent accidental drops.
- Keep the carry case out of reach of children to prevent potential choking hazards from small parts.
- If the carry case becomes wet, allow it to dry completely before storing to prevent mold and mildew.
- Be cautious when using zippers; do not force them if they become stuck.

Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the carry case from its packaging. Ensure all components are included.
2. **Attaching the Carry Case:**
 - Locate the MOLLE/PALS webbing on your tactical gear.
 - Slide the carry case's straps through the webbing and secure them tightly.
3. **Loading Kestrel Devices:**
 - Open the dual zipper carefully.
 - Place your Kestrel measuring devices inside the pouch, ensuring they are securely positioned.
 - Close the zipper completely to protect the devices.
4. **Carrying the Case:**
 - Use the carry case by holding it securely. Ensure the zippers are fully closed before moving.
 - For added security, consider using additional straps or attachments if necessary.
5. **Cleaning and Maintenance:**
 - Clean the exterior with a damp cloth to remove dirt and debris.
 - Do not use harsh chemicals or solvents that may damage the material.
 - Allow the carry case to air dry after cleaning.

Disposal Instructions

- When disposing of the carry case, please adhere to local waste management regulations.
- Recycle materials where possible. The carry case is made from nylon and Kevlar, which may be recyclable in some areas.
- Do not burn the carry case, as this may release harmful fumes.

Contact Information for Further Support

For any safety inquiries or support regarding the Kestrel General Tactical MOLLE Carry Case, please contact the manufacturer directly through the provided channels. Ensure you have your product details ready for a more efficient response.

Thank you for ensuring your safety and the proper use of the Kestrel General Tactical MOLLE Carry Case. Enjoy your experience with your Kestrel measuring devices!
