Kestrel General ATI Wind Wrap Safety Instruction Guide

Introduction

Thank you for choosing the Kestrel General ATI Wind Wrap. This accessory is designed to help you keep track of your Kestrel weather readings while maintaining your focus on your shooting activities. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Be aware of your surroundings when using the Wind Wrap to avoid accidents.
- Regularly inspect the Wind Wrap for signs of wear or damage before each use.
- Keep the product out of reach of children to prevent accidents or misuse.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the recommended weight limit when attaching the Kestrel to slings or clips.
- **Secure Attachment:** Ensure that the Wind Wrap is securely attached to your rifle sling, MALICE Clips, or tripod/bipod leg before use.
- **Check Stability:** Always check the stability of the mounted Kestrel before making adjustments to your shooting position.
- **Weather Conditions:** Be cautious when using the Kestrel in extreme weather conditions; ensure it is properly secured to avoid loss.
- **Personal Safety:** Maintain awareness of your shooting environment and avoid distractions when using the Wind Wrap.

Instructions for Installation and Usage

1. Installation:

- Select a stable location on your rifle sling, MALICE Clips, or tripod/bipod leg for attachment.
- Align the Wind Wrap with the chosen attachment point.
- Securely fasten the Wind Wrap according to the provided instructions, ensuring it is tightly secured to prevent accidental detachment.

2. Usage:

- Once installed, ensure the Kestrel is functioning correctly and is easily visible for readings.
- Adjust the position of the Kestrel as necessary for optimal viewing without compromising stability.
- When changing positions, check the attachment of the Wind Wrap to ensure it remains secure.

Disposal Instructions

- Dispose of the Wind Wrap in accordance with local regulations regarding plastic and electronic waste.
- Do not incinerate or expose the Wind Wrap to extreme heat, as it may release harmful substances.
- If the Wind Wrap is damaged and no longer usable, please follow your local disposal guidelines for hazardous materials.
