# Safety Instruction Guide for Accessories Kestrel General Rotating Vane Mount & Tactical MOLLE Carry Case, HST Series

## Introduction

Thank you for choosing the Kestrel General Rotating Vane Mount and Tactical MOLLE Carry Case, HST Series. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this document carefully before using the product to understand how to operate it safely and responsibly.

## General Safety Guidelines

- Product Safety:
  - This product is designed to ensure safe use and operation. Always follow the instructions provided.
  - Be aware of potential risks associated with improper use, including damage to the product or injury to users.
- Enhanced Recalls:
  - Stay informed about any recalls related to this product. If a recall occurs, follow the provided instructions for returning or exchanging the product.
- Online Shopping:
  - When purchasing online, ensure you are buying from a reputable seller that complies with safety standards.
- Special Consumer Focus:
  - This product is not intended for use by children. Keep it out of reach of children to prevent accidents.
- EU Contact Point:
  - For any safety inquiries or concerns, please refer to the designated EU contact point for this product.
- Rapid Alerts:
  - Stay updated on safety information by checking the EU's Safety Gate platform for alerts regarding unsafe products.

## Specific Safety Precautions for Use

- Ensure that the product is compatible with your Kestrel 5 Series device before use.
- Always attach the mount securely to a 1/4"20 tripod or bracket to prevent it from falling.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Regularly inspect the mount and carry case for any signs of wear or damage before each use.
- Do not modify or alter the product in any way, as this may compromise its safety and performance.
- Use the Kestrel LiNK feature responsibly and ensure that your device is within the specified range for wireless communication.

# Instructions for Installation and Usage

## 1. Installation:

- Locate a stable 1/4"20 tripod or bracket.
- Align the mount's attachment point with the tripod or bracket.
- Securely fasten the mount to the tripod or bracket using the provided screws or fasteners.
- Ensure that the mount is tightly secured to prevent any movement.

## 2. Usage:

- Attach your Kestrel 5 Series device to the mount.
- Adjust the position of the wind vane to ensure accurate wind direction measurement.
- Activate the Kestrel device and monitor the wind speed and direction as needed.
- If using the Kestrel LiNK feature, ensure that your device is within 30 meters for optimal performance.

## 3. Carrying:

- Utilize the MOLLE attachment points to securely attach the carry case to your belt or backpack.
- Make sure the carry case is properly secured to prevent it from detaching during movement.

# Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for materials where applicable.

# Contact Information for Further Support

For any questions or concerns regarding the use of this product, please refer to the designated EU contact point for assistance. Always ensure you have the product information readily available when seeking support.

By following these safety instructions, you can ensure a safe and effective experience with your Kestrel General Rotating Vane Mount and Tactical MOLLE Carry Case. Thank you for your attention to these guidelines, and enjoy using your product!
