# Kestrel General Screen Protector Kit Safety Instructions

## Introduction

Thank you for choosing the Kestrel General Screen Protector Kit designed specifically for the Kestrel 5000 Series. This guide provides essential safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this manual carefully before using the screen protector.

## General Safety Guidelines

- Product Safety:** The screen protector is designed to ensure safe use during installation and daily operation. It is important to follow all instructions to avoid any risks associated with improper use.
- Enhanced Recalls:** In the unlikely event of a safety concern regarding this product, standardized recall notices will be issued, and remedies will be provided at no cost.
- Online Shopping:** This product meets the same safety standards as those sold in physical stores, ensuring your online purchase is safe.
- Special Consumer Focus:** Extra precautions are in place for vulnerable groups, including children. Ensure that the product is kept out of reach of young children to prevent any misuse.
- EU Contact Point:** For any safety inquiries, please ensure to reach out to the designated EU contact point.
- Rapid Alerts:** Stay informed about product safety updates through the Safety Gate system, which provides timely alerts on unsafe products.

## Specific Safety Precautions for Use

- Avoid Direct Contact:** Do not touch the adhesive side of the screen protector to avoid reducing its effectiveness.
- Keep Away from Heat:** Store the screen protector in a cool, dry place away from direct sunlight and heat sources.
- Handle with Care:** Use caution when handling the screen protector to avoid scratches or damage.
- Check for Damage:** Before installation, inspect the screen protector for any visible damage. Do not use if damaged.
- Follow Age Guidelines:** This product is not intended for children under 3 years of age. Ensure that older children are supervised during installation.

## Instructions for Installation and Usage

### 1. Preparation:

- Clean the screen of your Kestrel 5000 Series device using the provided cleaning cloth to ensure a streakfree surface.
- Make sure the screen is completely dry before proceeding.

### 2. Installation:

- Carefully peel the backing from the screen protector, taking care not to touch the adhesive side.
- Align the screen protector with the edges of the display. Ensure it is centered and positioned correctly.
- Gently press down on the center of the screen protector, allowing it to adhere to the screen. Use a soft cloth to smooth out any air bubbles, starting from the center and moving outward.

### 3. Post-Installation Care:

- After installation, avoid touching the screen protector for at least 30 minutes to ensure proper adhesion.
- Regularly clean the surface with the provided cleaning cloth to maintain clarity.

## **Disposal Instructions**

- Dispose of the screen protector and any packaging materials in accordance with local waste disposal regulations.
- Do not dispose of electronic waste in regular household waste. Check local guidelines for recycling options.

## **Contact Information for Further Support**

For any questions or concerns regarding the Kestrel General Screen Protector Kit, please consult your retailer or visit the manufacturer's website for additional support and information.

Thank you for choosing Kestrel. Enjoy the enhanced protection for your Kestrel 5000 Series device!
