Kestrel LiNK Dongle Safety Instruction Guide

Introduction

Thank you for choosing the Kestrel LiNK Wireless Dongle (Bluetooth® Low Energy). This device allows you to perform firmware updates and transfer data wirelessly, enhancing the functionality of your Kestrel 5 Series models. This safety instruction guide is designed to provide you with essential information to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the device is used only for its intended purpose as described in the product text.
- Keep the device out of reach of children and vulnerable individuals to prevent accidental misuse.
- Regularly check for updates regarding product recalls and safety alerts on the EU Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.
- Use the device in accordance with local regulations and standards.

Specific Safety Precautions for Use

- Do not expose the Kestrel LiNK Dongle to extreme temperatures, moisture, or direct sunlight.
- Avoid using the device near strong electromagnetic fields, which may interfere with Bluetooth® communication.
- Ensure that the USB port you are using is clean and undamaged.
- Do not attempt to disassemble or modify the Dongle, as this may cause malfunctions or safety hazards.
- If you notice any abnormal behavior or damage to the device, discontinue use immediately and seek assistance.

Instructions for Installation and Usage

1. Installation:

- Plug the Kestrel LiNK Dongle into an available USB port on your PC or Mac.
- Ensure that the device is securely connected.

2. Pairing with Kestrel Device:

- Turn on your Kestrel 5 Series device and enable Bluetooth®.
- Follow the onscreen instructions on your PC or Mac to complete the pairing process.

3. Firmware Updates:

- Open the Kestrel LiNK software on your computer.
- Follow the prompts to check for and install any available firmware updates.

4. Data Transfer:

- Select the measurement data you wish to upload from your Kestrel device.
- Initiate the data transfer through the Kestrel LiNK software, following the prompts as needed.

5. Disconnecting:

- After use, safely eject the Kestrel LiNK Dongle from your computer before removing it from the USB port.

Disposal Instructions

- Dispose of the Kestrel LiNK Dongle in accordance with local electronic waste disposal regulations.
- Do not dispose of the device in regular household waste.
- Consider recycling the device if possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries or further assistance regarding the Kestrel LiNK Dongle, please reach out to the appropriate support channels. Ensure that you have the product information and any relevant details at hand when seeking assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your Kestrel LiNK Dongle!
