

RUGER 1022 Trigger Complete Assembly (Pull weight 2 3/4lb NOT adjustable) - RUGER 1022 BLACK HOUSING, BLACK SHOE

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The Timney 10/22® Trigger sets a new benchmark for aftermarket trigger upgrades for the Ruger® 10/22® platform. Built as a complete action replacement, this trigger assembly features a one-piece housing CNC-machined from 6061-T6 aircraft-grade billet aluminum for exceptional strength and precision.

The trigger, sear, and hammer are wire-EDM cut from heat-treated steel to ensure outstanding durability, consistent engagement, and long-term reliability. Installation is fast and simple—just remove the two factory action pins and drop in the complete Timney trigger assembly.

Designed for maximum usability, the trigger includes a Timney-engineered extended magazine release that can be operated easily with a single finger, as well as a standard auto bolt release. Like all Timney triggers manufactured in the USA, each assembly is hand-assembled, calibrated, and tested to deliver a lifetime of dependable performance.

The trigger comes factory set at a crisp 2 lb pull weight with no creep, providing a clean, predictable break that enhances accuracy and shooting confidence.

RUGER 1022 Trigger Complete Assembly Safety Instruction Guide

Introduction

Thank you for choosing the RUGER 1022 Trigger Complete Assembly. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read and follow these instructions carefully to maximize your safety and the performance of your trigger assembly.

General Safety Guidelines

- Ensure that the product is used only in accordance with the manufacturer's instructions.
- Always treat your firearm as if it is loaded.
- Keep the trigger assembly out of reach of children and unauthorized users.
- Regularly inspect the trigger assembly for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:** The trigger assembly may pose risks if not installed or used correctly.
- **Avoiding Hazards:**
 - Never modify the trigger assembly or tamper with its components.
 - Ensure that the firearm is unloaded before installing or adjusting the trigger assembly.
 - Always follow safe handling practices when using firearms.
- **Age Specific Warnings:**
 - This product is not intended for use by individuals under the age of 18 without adult supervision.
 - Ensure that inexperienced users receive proper training in firearm safety and handling.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the two factory action pins from the firearm.
- Carefully drop in the complete Timney trigger assembly.
- Reinsert the action pins to secure the trigger assembly in place.
- Check that the trigger assembly is securely installed and functions properly before use.

2. Usage:

- The trigger is factory set to a pull weight of 2 3/4 lb. Do not attempt to adjust this setting.
- Always inspect the trigger function before each use.
- Use the Timney engineered extended magazine release with one finger for ease of operation.
- Make sure to use the standard auto bolt release as intended.

Disposal Instructions

- Dispose of the trigger assembly responsibly in accordance with local regulations.

- Do not dispose of the assembly in regular household waste.
- Contact your local waste management facility for information on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the RUGER 1022 Trigger Complete Assembly, please refer to the manufacturer's website or contact their customer support for assistance. Ensure that you have the product details ready for a more efficient response.

Thank you for your attention to these safety guidelines. Your safety and the performance of your product are our top priorities.
