

# RUGER 1022 Trigger Complete Assembly (Pull weight 2 3/4lb NOT adjustable) - RUGER 1022 BLACK HOUSING, RED SHOE

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Compatible with Ruger 10/22® rifle models (see table under images) and the Magnum Research MLR 1722, this complete trigger system features a black housing, a long magazine release, and a red trigger shoe. The trigger pull weight is factory set at 2.75 lbs (1,248 g) and is fixed, meaning it is not adjustable.

Manufactured by Timney Triggers USA under product code 1022-2C, this trigger assembly is designed for reliable performance straight out of the box. In most cases, no fitting or modification is required; however, professional installation is recommended to ensure proper function and safety.

Important: The trigger pull weight is factory set and not adjustable.

# RUGER 1022 Trigger Complete Assembly Safety Instruction Guide

## Introduction

Thank you for choosing the RUGER 1022 Trigger Complete Assembly. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always treat firearms and their components with respect and caution.
- Ensure that the firearm is unloaded before handling the trigger assembly.
- Store the trigger assembly in a secure location, out of reach of children and unauthorized individuals.
- Regularly inspect the trigger assembly for signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and safety.

## Specific Safety Precautions for Use

- The trigger pull weight is factory set at 2.75 lbs (1,248 g) and is not adjustable. Do not attempt to modify the trigger pull weight.
- Ensure that the firearm is compatible with the RUGER 1022 Trigger Complete Assembly before installation.
- Avoid using the trigger assembly in conditions that may affect its performance, such as extreme temperatures or exposure to moisture.
- If you experience any malfunctions or irregularities during use, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and the safety is engaged.
- Gather necessary tools for installation, including a screwdriver and any specific tools recommended by the manufacturer.

### 2. Installation Steps:

- Remove the existing trigger assembly from the firearm following the manufacturer's instructions.
- Carefully install the RUGER 1022 Trigger Complete Assembly into the firearm.
- Ensure that all components fit securely and that there are no loose parts.
- Reassemble the firearm according to the manufacturer's guidelines.

### 3. PostInstallation Check:

- Perform a function check to ensure proper operation of the trigger assembly.
- Verify that the trigger pull weight is consistent and as specified (2.75 lbs).
- If unsure about the installation, seek professional assistance to ensure safety and proper function.

### 4. Usage:

- Always follow safe shooting practices when using the firearm equipped with the new trigger assembly.

- Regularly check the trigger assembly for proper function and maintenance needs.

## **Disposal Instructions**

- Dispose of the trigger assembly in accordance with local regulations.
- If the product is damaged or no longer functional, do not attempt to repair it. Contact a professional for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or support regarding the RUGER 1022 Trigger Complete Assembly, please refer to the manufacturer's website or customer service resources.

## **Conclusion**

Safety is paramount when handling firearms and their components. By following the guidelines outlined in this instruction manual, you can ensure a safe and enjoyable experience with your RUGER 1022 Trigger Complete Assembly. Always prioritize safety and seek assistance when needed. Thank you for your attention to these important safety instructions.
