

RUGER 1022 Trigger Complete Assembly (Pull weight 2 3/4lb NOT adjustable) - RUGER 1022 BLACK HOUSING, BLUE SHOE

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Compatible with Ruger 10/22® rifle models (see table under images) and the Magnum Research MLR 1722, this complete trigger system features a black housing, a long magazine release, and a blue trigger shoe. The trigger pull weight is factory set at 2.75 lbs (1,248 g) and is fixed, meaning it is not adjustable.

Manufactured by Timney Triggers USA under product code 1022-3C, this trigger assembly is designed for reliable, out-of-the-box performance. In most cases, no fitting or modification is required; however, professional installation is recommended to ensure proper function and safety.

RUGER 1022 Trigger Complete Assembly Safety Instruction Guide

Introduction

Thank you for choosing the RUGER 1022 Trigger Complete Assembly. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before installation and use.

General Safety Guidelines

- Always handle the trigger assembly with care and ensure that the firearm is unloaded before installation or handling.
- Follow all local laws and regulations regarding firearm modifications and use.
- Ensure that the trigger assembly is compatible with your specific Ruger 10/22® rifle model or Magnum Research MLR 1722.
- Keep the trigger assembly out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- The trigger pull weight is factory set at 2.75 lbs (1,248 g) and is not adjustable. Familiarize yourself with this pull weight before use.
- Never attempt to modify or adjust the trigger pull weight. Doing so may compromise safety and performance.
- Always ensure that the firearm is pointed in a safe direction when testing the trigger.
- Use proper eye and ear protection when handling firearms.
- If you experience any malfunction or irregularity during use, stop using the firearm immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and the magazine is removed.
- Gather necessary tools for installation (refer to your firearm's manual for specific tools needed).

2. Installation Steps:

- Remove the existing trigger assembly from your Ruger 10/22® rifle by following the manufacturer's instructions.
- Carefully install the RUGER 1022 Trigger Complete Assembly into the firearm, ensuring proper alignment with the housing.
- Secure the assembly according to the specifications outlined in the firearm's manual.
- Test the trigger function before using the firearm to ensure proper installation.

3. Usage:

- Before shooting, conduct a function check to ensure that the trigger operates correctly.
- Familiarize yourself with the trigger's pull weight and ensure you are comfortable with its operation.
- Always follow safe shooting practices and be aware of your surroundings.

Disposal Instructions

- Dispose of the trigger assembly and any packaging materials in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, take it to a designated electronic waste recycling facility if applicable.

Contact Information for Further Support

For any questions or concerns regarding the RUGER 1022 Trigger Complete Assembly, please consult the manufacturer or a qualified firearms professional.
