

# RUGER 1022 Trigger Complete Assembly (Pull weight 2 3/4lb NOT adjustable) - RUGER 1022 BLACK HOUSING, SILVER SHOE

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Compatible with Ruger 10/22® rifle models (see table under images) and the Magnum Research MLR 1722, this complete trigger system features a black housing, a long magazine release, and a gold-colored trigger shoe. The trigger pull weight is factory set at 2.75 lbs (1,248 g) and is fixed, meaning it is not adjustable.

Manufactured by Timney Triggers USA under product code 1022-4C, this trigger assembly is designed for reliable, out-of-the-box performance. In most cases, no fitting or modification is required; however, professional installation is recommended to ensure proper function and safety.

Important: The trigger pull weight is factory set and not adjustable.

# RUGER 1022 Trigger Complete Assembly Safety Instruction Guide

## Introduction

Thank you for choosing the RUGER 1022 Trigger Complete Assembly. This guide is designed to provide you with essential safety instructions, installation guidance, and usage recommendations to ensure a safe and effective experience with your product. Please read this guide carefully before using the assembly.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before handling or modifying any components.
- Store the trigger assembly in a secure location away from children and unauthorized users.
- Familiarize yourself with the local laws and regulations regarding firearm modifications and safety.
- Inspect the trigger assembly for any visible damage or defects before installation.
- If you are unsure about any aspect of the installation or use, consult a qualified gunsmith or professional.

## Specific Safety Precautions for Use

- The trigger pull weight is factory set at 2.75 lbs (1,248 g) and is fixed. Do not attempt to adjust the pull weight.
- Ensure that the firearm is compatible with the RUGER 1022 Trigger Complete Assembly before installation.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.
- Avoid using the firearm in wet or damp conditions to prevent corrosion.
- Do not exceed the manufacturer's recommended specifications for ammunition and usage.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, typically including screwdrivers and a cleaning cloth.

### 2. Installation Steps:

- Remove the existing trigger assembly from the Ruger 10/22® rifle according to the manufacturer's instructions.
- Carefully install the RUGER 1022 Trigger Complete Assembly into the firearm.
- Ensure that all components are properly aligned and seated in place.
- Reassemble the firearm according to the manufacturer's specifications.
- Conduct a function check to ensure the trigger operates correctly before firing.

### 3. Usage:

- Always follow safe firearm handling practices.
- Regularly inspect the trigger assembly for wear and proper function.
- If any issues are detected, discontinue use and consult a professional.

## Disposal Instructions

- Dispose of the trigger assembly in accordance with local regulations regarding firearm components.
- Do not dispose of the assembly in regular household waste.

- Contact local authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the RUGER 1022 Trigger Complete Assembly, please refer to the manufacturer's customer service resources. It is important to have access to support for safety inquiries and product information.

By following these guidelines, you can help ensure a safe and enjoyable experience with your RUGER 1022 Trigger Complete Assembly. Thank you for your attention to these important safety instructions.
