

DeathGrip Accessories - DeathGrip Infinite XT Carbon Fiber

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

Trusted by those who demand precision and reliability, this is the most versatile shooting platform BOG® has ever created. Whether you're glassing, filming, or taking the shot, the Infinite Carbon Fiber XT lets you transition between roles without changing gear. Its interchangeable design keeps hunters and shooters prepared for any terrain or task. Building on the proven legacy of the original DeathGrip® tripods, this upgraded model adds a center post for increased height and fast, one-touch adjustments in the field. The carbon fiber construction delivers an ideal balance of lightweight portability and strength, while smooth twist locks ensure quick, stable deployment when it matters most.

DeathGrip Infinite XT Carbon Fiber Safety Instructions

Introduction

Thank you for choosing the DeathGrip Infinite XT Carbon Fiber shooting platform by BOG®. This guide provides essential safety instructions to ensure your product is used safely and effectively. Please read and follow all instructions carefully to maximize your experience and ensure your safety.

General Safety Guidelines

- Ensure that the DeathGrip Infinite XT is used only for its intended purpose as a shooting platform.
- Always inspect the product before use for any signs of damage or wear.
- Keep the product out of reach of children and ensure that it is not used by individuals who are not trained or experienced in shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding shooting and hunting.
- In case of an emergency, seek immediate assistance.

Specific Safety Precautions for Use

- **Stability:** Ensure that the platform is set up on stable ground before use. Avoid using it on uneven or slippery surfaces.
- **Weight Limit:** Do not exceed the manufacturer's recommended weight limit for the platform to prevent tipping or damage.
- **Adjustments:** Make all adjustments to the platform while it is in a stable position. Avoid making adjustments while aiming or shooting.
- **Accessories:** Use only compatible accessories that are designed for the DeathGrip Infinite XT to ensure safety and performance.
- **Transport:** When transporting the platform, ensure that it is securely packed to prevent damage.

Instructions for Installation and Usage

1. Setup:

- Unpack the DeathGrip Infinite XT and lay out all components.
- Extend the legs to the desired height and ensure they are locked in place.
- Adjust the center post to achieve the required elevation.
- Ensure all twist locks are secure before use.

2. Transitioning Roles:

- To switch between glassing, filming, and shooting, follow the interchangeable design instructions provided in the product manual.
- Always ensure that the platform is stable before transitioning.

3. Shooting:

- Position your firearm securely in the DeathGrip.
- Ensure that the firearm is pointed in a safe direction and that the area is clear of obstructions.
- Make sure to follow all firearm safety rules during use.

4. PostUse:

- After use, disassemble the platform carefully.
- Store the product in a dry, cool place to prevent damage.

Disposal Instructions

- Dispose of the DeathGrip Infinite XT in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options or designated disposal sites for outdoor equipment.

Contact Information for Further Support

For any questions or concerns regarding the DeathGrip Infinite XT, please consult the product manual or contact your retailer for assistance.

Thank you for choosing BOG® and for prioritizing safety in your shooting activities.
