DeathGrip Accessories Deathgrip Mounting Block Safety Instructions

Introduction

Thank you for choosing the DeathGrip® Mounting Block. This product is designed to securely support your spotting scope, providing a stable platform for all your hunting and outdoor activities. To ensure safe and effective use of the DeathGrip® Mounting Block, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure the product is used in accordance with the manufacturer's instructions.
- Inspect the mounting block for any damage before each use. Do not use if damaged.
- Keep the mounting block out of reach of children and pets when not in use.
- Use the product only for its intended purpose, as described in this manual.
- Be aware of your surroundings while using the mounting block to avoid accidents.
- In case of an emergency or accident, report it to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the DeathGrip® Mounting Block is securely attached to the fixedhead DeathGrip® before use.
- Do not exceed the weight limit specified by the manufacturer when mounting equipment.
- Avoid using the mounting block in extreme weather conditions, such as high winds or heavy rain.
- Always use the mounting block on stable and level ground to prevent tipping or falling.
- Do not attempt to modify or repair the mounting block on your own.

Instructions for Installation and Usage

1. Installation

- Remove the DeathGrip® Mounting Block from its packaging.
- Inspect the mounting block for any signs of damage.
- Align the mounting block with the fixedhead DeathGrip®.
- Securely attach the mounting block by following the manufacturer's specific attachment instructions.
- Doublecheck that the mounting block is firmly in place before proceeding.

2. Usage

- Place your spotting scope into the mounting block.
- Adjust the scope to your desired position.
- Lock the scope in place using the locking mechanism provided on the mounting block.
- Ensure that the spotting scope is stable and secure before using it.
- When finished, carefully detach the spotting scope from the mounting block.

Disposal Instructions

- When the DeathGrip® Mounting Block reaches the end of its life, dispose of it in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.
- Ensure that any components that could be hazardous to the environment are disposed of properly.

Contact Information for Further Support

For any inquiries regarding the DeathGrip® Mounting Block, including safety concerns or product support, please refer to the manufacturer's contact information provided on the packaging or the official website.

Thank you for prioritizing safety and for choosing DeathGrip Accessories. Enjoy your time outdoors!
