# DeathGrip Bantam Head Safety Instruction Guide

## Introduction

Thank you for choosing the DeathGrip® Bantam Head from BOG. This product is designed to provide you with unmatched stability and adaptability for your firearm setup. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always follow the manufacturer's instructions when using the DeathGrip Bantam Head.
- Ensure that the product is used in accordance with all local laws and regulations regarding firearms and accessories.
- Regularly inspect the product for any signs of wear or damage before each use.
- Do not attempt to modify or repair the product yourself. Contact a qualified professional for any necessary repairs.
- Keep the product out of reach of children and unauthorized users.
- In case of any malfunction or failure, cease use immediately and consult the manufacturer.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded before attaching or detaching the DeathGrip Bantam Head.
- Always check that the clamping system is securely locked before using the firearm.
- Avoid using the product in extreme weather conditions that may compromise stability or functionality.
- Be aware of your surroundings and ensure that the area is safe before aiming or firing your firearm.
- Use appropriate eye and ear protection when shooting.
- If you experience any discomfort or difficulty while using the product, discontinue use and seek assistance.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Firearm:** Ensure that your firearm is unloaded and pointed in a safe direction.
2. **Attach the DeathGrip Bantam Head:**
  - Locate the mounting point on your firearm.
  - Align the DeathGrip Bantam Head with the mounting point.
  - Securely fasten the clamping system to lock the Bantam Head in place.
3. **Check Stability:**
  - Gently shake the firearm to ensure the Bantam Head is securely attached.
  - Confirm that there is no movement or looseness.

### Usage

1. **Adjusting the Setup:**
  - If necessary, adjust the angle and height of the DeathGrip Bantam Head to suit your shooting position.
  - Make any adjustments while ensuring the firearm remains pointed in a safe direction.
2. **QuickSwap Design:**
  - When changing heads, ensure the firearm is unloaded.
  - Release the clamping system and carefully remove the head.
  - Attach the new head securely and check stability before proceeding.

## **Disposal Instructions**

- Dispose of the DeathGrip Bantam Head in accordance with local regulations regarding electronic and accessory waste.
- If the product is damaged or no longer functional, do not attempt to repair it; instead, dispose of it responsibly.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the DeathGrip Bantam Head, please refer to the manufacturer's contact information provided in the product packaging or on the official website.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your experience with the DeathGrip Bantam Head!
