

# CRBN Kit - MDT Chassis - CRBN Hunter Kit - Remington 700 - LA - RH - Fixed - ARCA - CCF

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Constructed from foam-filled carbon fiber, the MDT CRBN Rifle Stock is exceptionally lightweight yet durable, allowing you to navigate rugged terrain on long hunts without feeling burdened. At the same time, you can trust that this stock will withstand tough conditions and heavy use.

The magnesium micro chassis with V-block bedding ensures a secure and stable action installation, providing a rock-solid foundation for your rifle. The rigid, wide forend eliminates flex, allowing for quicker follow-up shots and better trace spotting, which enhances both your precision and stability in any shooting scenario.

The foam-filled CRBN Stock also absorbs harmonic vibrations, giving the rifle a "dead-feel," allowing you to better track your shot, stay on target, and shoot more comfortably for extended periods.

With an integrated ARCA rail and M-LOK slots, the MDT CRBN Rifle Stock offers flexible options for mounting bipods, tripods, and other accessories, making it adaptable to your specific shooting needs. The adjustable length of pull via spacers, integrated thumb shelf, and front and rear QD cups for attaching QD slings ensure optimal comfort and ergonomic support, perfect for long hunts and competitions.

# MDT CRBN Kit Safety Instruction Guide

## Introduction

Thank you for choosing the MDT CRBN Kit MDT Chassis CRBN Hunter Kit for your Remington 700. This guide provides essential safety instructions to ensure the safe use and handling of your rifle stock. Please read it carefully before use.

## General Safety Guidelines

- Always handle your rifle with care and assume it is loaded until verified otherwise.
- Keep your rifle pointed in a safe direction at all times.
- Store your rifle and accessories securely, out of reach of children and unauthorized users.
- Regularly inspect your rifle and stock for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Be aware of your surroundings and ensure you have a clear shot before firing.
- Use appropriate eye and ear protection while shooting.

## Specific Safety Precautions for Use

- Ensure that the MDT CRBN Rifle Stock is properly installed before use.
- Avoid using the rifle stock in extreme weather conditions that may compromise its integrity.
- Do not exceed the manufacturer's specifications for the weight and accessories mounted on the stock.
- Be cautious of harmonic vibrations that may affect your shooting accuracy; practice proper shooting techniques.
- If you experience any discomfort or instability while using the stock, cease use immediately and reassess your setup.

## Instructions for Installation and Usage

### 1. Installation of the MDT CRBN Rifle Stock:

- Ensure your Remington 700 is unloaded and safe to handle.
- Remove the existing stock from your rifle according to the manufacturer's instructions.
- Align the MDT CRBN Rifle Stock with the action of your rifle and secure it using the provided screws.
- Ensure the magnesium micro chassis is properly bedded and that the Vblock bedding is secure.
- Check that the adjustable length of pull is set to your preference using the spacers.

### 2. Usage of the MDT CRBN Rifle Stock:

- Familiarize yourself with the integrated ARCA rail and MLOK slots for accessory mounting.
- Attach bipods or other accessories securely to avoid any accidents during use.
- Adjust the thumb shelf and QD cups to ensure optimal comfort and ergonomic support.
- Practice shooting with the stock to become accustomed to its feel and functionality.

## Disposal Instructions

- Dispose of the MDT CRBN Rifle Stock and any associated materials in accordance with local regulations.
- Do not dispose of the stock in regular household waste.
- Consider recycling options for carbon fiber materials where available.

## **Contact Information for Further Support**
