

# CRBN Kit - MDT Chassis - CRBN Hunter Kit - Remington 700 - LA - RH - Fixed - ARCA - HOG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Constructed from foam-filled carbon fiber, the MDT CRBN Rifle Stock is exceptionally lightweight yet durable, allowing you to navigate rugged terrain on long hunts without feeling burdened. At the same time, you can trust that this stock will withstand tough conditions and heavy use.

The magnesium micro chassis with V-block bedding ensures a secure and stable action installation, providing a rock-solid foundation for your rifle. The rigid, wide forend eliminates flex, allowing for quicker follow-up shots and better trace spotting, which enhances both your precision and stability in any shooting scenario.

The foam-filled CRBN Stock also absorbs harmonic vibrations, giving the rifle a "dead-feel," allowing you to better track your shot, stay on target, and shoot more comfortably for extended periods.

With an integrated ARCA rail and M-LOK slots, the MDT CRBN Rifle Stock offers flexible options for mounting bipods, tripods, and other accessories, making it adaptable to your specific shooting needs. The adjustable length of pull via spacers, integrated thumb shelf, and front and rear QD cups for attaching QD slings ensure optimal comfort and ergonomic support, perfect for long hunts and competitions.

# MDT CRBN Kit Safety Instructions

## Introduction

Thank you for choosing the MDT CRBN Kit. This guide provides essential safety instructions to ensure the safe use and maintenance of your rifle stock. Please read this document carefully before using the product to understand the safety precautions and operational guidelines.

## General Safety Guidelines

- Ensure that all users of the MDT CRBN Kit are familiar with firearm safety practices.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Use the product only for its intended purpose; misuse can lead to accidents or injuries.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for wear and damage before each use.
- Do not modify or alter the MDT CRBN Kit in any way that could compromise its safety or functionality.
- Always wear appropriate safety gear, including eye protection, when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- Ensure that the rifle is securely mounted in the MDT CRBN Kit before use.
- Always check that the action is clear and the firearm is unloaded before installation.
- When adjusting the length of pull, ensure that the spacers are securely in place to prevent accidental movement.
- Be cautious of the ARCA rail and MLOK slots; ensure that accessories are properly secured to prevent them from loosening during use.
- Avoid using the rifle in extreme temperatures or conditions that may affect the integrity of the carbon fiber material.
- Be mindful of the "deadfeel" characteristic of the foamfilled stock; this feature is designed for tracking shots, but it requires practice to master.

## Instructions for Installation and Usage

### 1. Installation of the MDT CRBN Kit:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the Remington 700 rifle by unscrewing the action screws.
- Align the action of the rifle with the Vblock bedding of the MDT CRBN Kit.
- Securely fasten the action screws to hold the rifle in place.
- Adjust the length of pull using the spacers provided to fit your comfort level.
- Attach any accessories to the ARCA rail or MLOK slots as needed.

### 2. Usage of the MDT CRBN Kit:

- After installation, conduct a function check to ensure that the rifle operates correctly.
- Familiarize yourself with the feel of the stock and practice tracking shots at the range.
- Regularly check the tightness of screws and attachments before each use.
- If you notice any damage or unusual wear, discontinue use and consult a qualified technician.

## Disposal Instructions

- Dispose of the MDT CRBN Kit in accordance with local regulations for carbon fiber and composite materials.

- Do not burn the product, as it may release harmful substances.
- Consider recycling options if available in your area.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or maintenance of the MDT CRBN Kit, please reach out to your local dealer or manufacturer representative. They can provide you with the necessary support and information.

## Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT CRBN Kit. Always prioritize safety and be aware of your surroundings while using firearms. Thank you for your attention to these important guidelines.
