

# **TIMBR Core Kit - MDT Chassis - TIMBR Core Hunter Kit - Savage - SA - RH - WNT**

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT TIMBR CORE is what happens when you no longer have to choose between beauty and performance. Handcrafted from solid walnut and built around a precision-engineered aluminum micro-chassis, it blends timeless style with modern innovation.

Every TIMBR CORE stock is one of a kind. The natural walnut grain, color, and finish make each piece unique, while the internal V-block bedding system ensures your action locks in perfectly—no bedding work, no gunsmithing. Just torque it down and shoot with confidence.

## Key Features

- Solid Walnut Construction: Warm, traditional aesthetics with a 100% unique grain pattern on every stock.
- Aluminum Micro-Chassis Backbone: Delivers rock-solid stability, repeatable accuracy, and zero flex.
- V-Block Bedding System: Simple, precise action fit without the need for custom bedding.
- Ergonomic Design: Refined grip angles, adjustable LOP spacers, and improved geometry enhance comfort and control.
- Versatility: Ideal for everything from hunting whitetail in the woods to precision shooting at the range.

# MDT TIMBR Core Kit Safety Instruction Guide

## Introduction

Thank you for choosing the MDT TIMBR Core Kit. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before using the product.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Do not modify the product in any way that is not recommended by the manufacturer.
- Report any unsafe products or incidents to the relevant authorities.
- Stay updated on recall notices through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Handling:** Always handle the product with care to avoid accidental discharge or injury.
- **Storage:** Store the product in a secure location, away from unauthorized access.
- **Installation:** Follow the installation instructions carefully to prevent any hazards related to improper setup.
- **Usage:** Ensure that you are familiar with the operation of the product before use. If unsure, seek guidance from a knowledgeable individual or professional.
- **Personal Protective Equipment (PPE):** Use appropriate PPE, such as eye protection and hearing protection, when using the product.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure you have a clean and suitable workspace.
- Follow the steps outlined in the installation manual provided with your product.
- Securely attach all components as directed to ensure stability and safety.
- Doublecheck all fittings and connections before proceeding to use the product.

### 2. Usage:

- Before using the product, ensure that it is properly installed and all components are secure.
- Familiarize yourself with the features and controls of the product.
- Use the product only for its intended purpose, as outlined in the product specifications.
- Maintain a safe distance from others while using the product.
- If you encounter any issues during use, cease operation immediately and consult the manual or seek professional assistance.

## Disposal Instructions

- Dispose of the product in accordance with local regulations and guidelines.
- Do not dispose of the product in household waste.
- If applicable, return the product to the manufacturer for proper disposal.
- Ensure that all components are disposed of safely to minimize environmental impact.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the MDT TIMBR Core Kit, please refer to the contact details provided with your product or visit the manufacturer's website for additional resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT TIMBR Core Kit. Thank you for your attention to these important guidelines.
