

Chassis - LSS Gen3 System - Ruger American - SA - RH - Competitor - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

If you're building a match rifle and want to skip the guesswork, this is it. The MDT LSS GEN3 Competition Kit takes one of the most modular rifle chassis systems available and refines it for a single purpose: winning stages.

No picking parts. No mismatched accessories. No second-guessing your setup. This is a rock-solid, competition-ready rifle foundation—straight out of the box. Every component in the kit is carefully selected to give you a measurable advantage in PRS, NRL, and other precision shooting disciplines. It's not just modular. It's optimized.

At the heart of the system is the flat, wide Competition Forend with an integrated ARCA rail. Designed for stability and speed, it makes running barricades feel automatic. Lock into a tripod in seconds, clamp on a bipod with confidence, and transition between props without hesitation. The geometry is built for balance, control, and consistency under match pressure.

Though this is a pre-configured kit, it's far from a compromise. You get the same rock-solid fitment, return-to-zero consistency, and durability the GEN3 platform is known for—now equipped with competition-ready components already installed. It's built to perform at the highest level from day one.

Already a beast out of the box, the LSS GEN3 Competition Kit remains fully modular. Swap the grip. Change the stock. Add internal and external weights, bridges, or other accessories. Tune the balance. Refine the feel. Make it uniquely yours.

Attributes

MDT Chassis LSS Gen3 System Safety Instructions

Introduction

Thank you for choosing the MDT Chassis LSS Gen3 System. This product is designed for precision shooting and competition use. To ensure your safety and the best performance from your chassis system, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure safe use of the MDT Chassis by following all manufacturer guidelines.
- Be aware of potential risks associated with the use of firearm accessories.
- Always treat your equipment with care and respect.
- Keep your MDT Chassis and all accessories out of reach of children and unauthorized users.
- Regularly inspect your chassis for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on any recalls or safety notices through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using firearms.
- Ensure that your firearm is unloaded before attaching or detaching the MDT Chassis.
- Verify compatibility with your specific firearm model (Ruger American) before use.
- Do not modify the chassis or any of its components without consulting the manufacturer.
- Be mindful of your surroundings and ensure a safe shooting environment.
- Avoid using the chassis in adverse weather conditions that may affect performance or safety.
- If you experience any issues during use, cease operation immediately and consult a qualified technician.

Instructions for Installation and Usage

Installation

1. **Unpack the Kit:** Carefully remove the MDT Chassis LSS Gen3 System from its packaging. Ensure all components are included.
2. **Read the Manual:** Familiarize yourself with the components and instructions provided in this manual.
3. **Prepare Your Firearm:** Ensure your Ruger American is unloaded and free of any ammunition.
4. **Attach the Chassis:**
 - Align the chassis with the firearm's action.
 - Securely fasten all screws and components as per the installation guide.
 - Check the fitment to ensure there are no gaps or misalignments.
5. **Adjust Components:**
 - Customize the grip and stock to fit your preferences.
 - Add weights or accessories as needed for balance.

Usage

1. **Check Stability:** Before firing, ensure that the chassis is securely attached and stable.
2. **Practice Safe Handling:** Always follow firearm safety rules, including keeping the muzzle pointed in a safe direction.
3. **Test the Setup:** Conduct a test firing in a controlled environment to ensure everything functions as intended.
4. **Adjust as Necessary:** Make any necessary adjustments to the chassis based on your shooting experience.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling guidelines.
- If the chassis or any components are damaged beyond repair, dispose of them safely to avoid injury.
- Consult local regulations for the proper disposal of firearm accessories.

Contact Information for Further Support

For any inquiries or support regarding the MDT Chassis LSS Gen3 System, please refer to the manufacturer's contact information provided in the product packaging or on the official website.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your MDT Chassis LSS Gen3 System. Thank you for your attention to safety.
