

# Chassis - LSS Gen3 System - Ruger American - SA - RH - Competitor - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

If you're building a match rifle and want to skip the guesswork, this is it. The MDT LSS GEN3 Competition Kit takes one of the most modular rifle chassis systems available and refines it for a single purpose: winning stages.

No picking parts. No mismatched accessories. No second-guessing your setup. This is a rock-solid, competition-ready rifle foundation—straight out of the box. Every component in the kit is carefully selected to give you a measurable advantage in PRS, NRL, and other precision shooting disciplines. It's not just modular. It's optimized.

At the heart of the system is the flat, wide Competition Forend with an integrated ARCA rail. Designed for stability and speed, it makes running barricades feel automatic. Lock into a tripod in seconds, clamp on a bipod with confidence, and transition between props without hesitation. The geometry is built for balance, control, and consistency under match pressure.

Though this is a pre-configured kit, it's far from a compromise. You get the same rock-solid fitment, return-to-zero consistency, and durability the GEN3 platform is known for—now equipped with competition-ready components already installed. It's built to perform at the highest level from day one.

Already a beast out of the box, the LSS GEN3 Competition Kit remains fully modular. Swap the grip. Change the stock. Add internal and external weights, bridges, or other accessories. Tune the balance. Refine the feel. Make it uniquely yours.

## Attributes

- Name: [MDT Chassis - LSS Gen3 System - Ruger American - SA - RH - Competitor - FDE](#)
- Manufacturer: [MDT](#)
- Product no.: EU2017022
- Mfr. No.: 115051-FDE
- Colour: FDE
- Model: American
- Weapon type: Ruger
- Delivery weight: 3.25kg
- Shipping height: 76mm
- Shipping width: 254mm
- Shipping length: 915mm
- UPC: 990482726539

# MDT Chassis LSS Gen3 System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Chassis LSS Gen3 System. This guide provides essential safety information to ensure the safe use and enjoyment of your product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that the MDT Chassis LSS Gen3 System is used in accordance with the manufacturer's instructions.
- Always inspect the product for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose and in a safe environment.
- Be aware of your surroundings and avoid distractions while using the chassis system.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Personal Safety:** Always wear appropriate safety gear, such as eye protection, when handling firearms and related equipment.
- **Environment:** Use the chassis in a well-ventilated area, away from flammable materials.
- **Handling:** Always treat firearms with respect and ensure they are unloaded when installing or adjusting the chassis.
- **Weight Management:** Be cautious when adding internal or external weights to the chassis. Ensure that the total weight does not exceed the recommended limits for safe handling.
- **Stability:** Ensure that the chassis is securely mounted and stable before use to prevent accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Unbox the MDT Chassis LSS Gen3 System and inspect all components for damage.
- Follow the manufacturer's instructions for assembling the chassis, ensuring all parts are securely fastened.
- If applicable, install the grip and stock according to the provided guidelines.
- Attach any additional accessories, such as weights or bipods, ensuring they are compatible and securely attached.

### 2. Usage:

- When using the chassis, ensure you are in a safe shooting position.
- Familiarize yourself with the controls and features of the chassis before attempting to shoot.
- Practice safe firearm handling at all times; keep the firearm pointed in a safe direction.
- Adjust the chassis components as needed to achieve the desired balance and feel for optimal performance.

## Disposal Instructions

- Dispose of the MDT Chassis LSS Gen3 System in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- If the product is damaged beyond repair, consider recycling materials where possible.

## **Contact Information for Further Support**

For assistance with your MDT Chassis LSS Gen3 System, please refer to the manufacturer's website or contact their customer support for additional information and support.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT Chassis LSS Gen3 System. Thank you for your attention to safety!
