

Chassis - LSS Gen3 System - Ruger American - SA - RH - Tactical - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Need one rifle that can truly do it all? Start here. The MDT LSS GEN3 Tactical Kit is engineered around flexibility, reliability, and rugged performance. Whether it's your dependable truck gun, a backcountry bolt-action rig, or a range build you want to fully customize, this kit delivers the foundation to make it happen.

With ergonomics inspired by the AR-15 platform, it offers a familiar feel paired with bolt-action precision. The result is a system that feels intuitive in hand while maintaining the accuracy and control serious shooters demand. Fully capable and fully upgradeable, it adapts to your mission without compromise.

Built to take a beating, the Tactical Kit doesn't budge under pressure. A rock-solid fit, rigid forend, and durable construction throughout ensure consistent performance in harsh conditions. This isn't about shaving ounces or building the lightest possible setup. It's about rugged reliability and endless flexibility. When conditions get tough, this chassis holds its ground.

The included SCS Buttstock gives you tool-less control over length of pull, cheek height, and buttpad position. Adjust your fit on the fly and maintain a repeatable shooting position no matter the environment or shooting style.

Up front, the Tactical Forend features M-LOK slots on all five faces, giving you maximum mounting versatility. Add a bipod, internal or external weights, a sling, a weapon light, spare rounds, or any mission-specific accessory you need. Configure it for tactical applications, vehicle carry, field use, or a versatile do-it-all range setup.

While this is a pre-configured kit, it's built on the LSS GEN3 Chassis platform—meaning the modularity doesn't stop here. Swap the grip. Change the forend. Install a different stock for a different role. As your needs evolve, your rifle evolves with you.

Safety Instruction Guide for MDT Chassis LSS Gen3 System

Introduction

Thank you for choosing the MDT Chassis LSS Gen3 System. This safety instruction guide is designed to ensure your safe use of this product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using your MDT Chassis to understand the safety precautions and proper usage.

General Safety Guidelines

- Ensure that the MDT Chassis is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE) when handling firearms.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis and all components for signs of wear or damage before each use.
- Store the chassis in a safe and secure location when not in use.
- Be aware of your surroundings and ensure that you are in a safe environment when using the chassis.

Specific Safety Precautions for Use

- Always treat the rifle as if it is loaded, even if you believe it is not.
- Make sure the safety is engaged until you are ready to fire.
- Never point the rifle at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that the area is clear of people and animals before discharging the firearm.
- Follow all local laws and regulations regarding firearm usage and ownership.

Instructions for Installation and Usage

Installation

1. **Remove the Chassis from Packaging:** Carefully unpack the MDT Chassis and check for any visible damage.
2. **Check Components:** Ensure all components are included as per the product specifications.
3. **Attach the Buttstock:**
 - Align the buttstock with the chassis.
 - Secure it using the provided screws, ensuring a tight fit.
4. **Install the Forend:**
 - Attach the forend to the chassis, ensuring it is securely fastened.
 - Check for MLOK slots to attach additional accessories as needed.
5. **Adjust the SCS Buttstock:**
 - Use the toolless adjustment feature to set the length of pull, cheek height, and buttpad position to your preference.

Usage

1. **Loading the Rifle:**
 - Ensure the rifle is pointed in a safe direction.
 - Load the magazine as per the manufacturer's instructions.
 - Insert the magazine into the rifle ensuring it is securely seated.
2. **Firing:**
 - Engage the safety before raising the rifle to your shoulder.
 - Aim at your target, disengage the safety, and gently squeeze the trigger.
3. **PostUse:**

- After use, make sure to unload the rifle completely.
- Store the chassis and rifle components in a safe and secure location.

Disposal Instructions

- Dispose of the MDT Chassis in accordance with local regulations regarding electronic and firearm accessories.
- Do not dispose of in regular household waste.
- Consider recycling options for metal and plastic components where available.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MDT Chassis LSS Gen3 System, please reach out to your local authorized dealer or manufacturer's representative.

Conclusion

By following these safety instructions, you can ensure a safer experience while using your MDT Chassis LSS Gen3 System. Always prioritize safety and responsibility in all aspects of firearm usage. Thank you for choosing our product.
