

# Chassis - LSS Gen3 System - Ruger American - SA - RH - Tactical - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Need one rifle that can truly do it all? Start here. The MDT LSS GEN3 Tactical Kit is engineered around flexibility, reliability, and rugged performance. Whether it's your dependable truck gun, a backcountry bolt-action rig, or a range build you want to fully customize, this kit delivers the foundation to make it happen.

With ergonomics inspired by the AR-15 platform, it offers a familiar feel paired with bolt-action precision. The result is a system that feels intuitive in hand while maintaining the accuracy and control serious shooters demand. Fully capable and fully upgradeable, it adapts to your mission without compromise.

Built to take a beating, the Tactical Kit doesn't budge under pressure. A rock-solid fit, rigid forend, and durable construction throughout ensure consistent performance in harsh conditions. This isn't about shaving ounces or building the lightest possible setup. It's about rugged reliability and endless flexibility. When conditions get tough, this chassis holds its ground.

The included SCS Buttstock gives you tool-less control over length of pull, cheek height, and buttpad position. Adjust your fit on the fly and maintain a repeatable shooting position no matter the environment or shooting style.

Up front, the Tactical Forend features M-LOK slots on all five faces, giving you maximum mounting versatility. Add a bipod, internal or external weights, a sling, a weapon light, spare rounds, or any mission-specific accessory you need. Configure it for tactical applications, vehicle carry, field use, or a versatile do-it-all range setup.

While this is a pre-configured kit, it's built on the LSS GEN3 Chassis platform—meaning the modularity doesn't stop here. Swap the grip. Change the forend. Install a different stock for a different role. As your needs evolve, your rifle evolves with you.

# MDT Chassis LSS Gen3 System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Chassis LSS Gen3 System. This guide provides essential safety instructions, installation, and usage guidelines to ensure your safe and effective use of this product. Please read this manual carefully before using the product.

## General Safety Guidelines

- Ensure you are familiar with the operation of boltaction rifles before using this chassis system.
- Always handle firearms with care and follow the basic rules of firearm safety.
- Keep the product out of reach of children and unauthorized users.
- Use only compatible components and accessories with the MDT LSS Gen3 Chassis.
- Regularly inspect your chassis and firearm for any signs of wear or damage.
- Do not exceed the manufacturer's recommended specifications for weight and configuration.
- Always wear appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- **Avoid Modifications:** Do not modify the chassis or its components beyond the manufacturer's specifications.
- **Check Compatibility:** Ensure that all accessories, such as the SCS Buttstock and Tactical Forend, are properly installed and compatible.
- **Secure Your Firearm:** Always ensure your rifle is securely mounted in the chassis before use.
- **Monitor Weather Conditions:** Be cautious when using the chassis in extreme weather conditions, which may affect performance.
- **Follow Local Regulations:** Adhere to all local laws and regulations regarding firearm usage and modifications.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. **Unpack the Kit:**

- Carefully remove all components from the packaging.
- Inspect for any damage or missing parts.

#### 2. **Attach the Chassis:**

- Ensure the rifle is unloaded and safe.
- Align the rifle's action with the chassis and secure it using the provided screws.
- Tighten screws to the manufacturer's torque specifications.

#### 3. **Install the SCS Buttstock:**

- Adjust the buttstock to the desired length of pull and cheek height.
- Secure the buttstock in place using the toolless adjustment mechanism.

#### 4. **Configure the Tactical Forend:**

- Attach the Tactical Forend to the chassis, ensuring it is securely fastened.
- Utilize the MLOK slots to attach accessories as needed.

## Usage Instructions

- **Adjusting the Fit:**

- Make any necessary adjustments to the buttstock and forend before taking your first shot.

- **Shooting Position:**

- Maintain a stable shooting position and ensure your grip is secure.

- **Accessory Management:**

- Use the MLOK slots to mount accessories such as bipods, lights, or slings based on your mission requirements.

- **PostUse Care:**

- After use, clean the chassis and inspect for any wear or damage.
- Store the chassis in a safe and dry location.

## Disposal Instructions

- Dispose of the MDT Chassis and its components in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact local waste management authorities for proper disposal methods for firearm accessories.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact the authorized dealer where you purchased the product. Ensure you have your product details available for a more efficient response.

By following these guidelines, you can ensure the safe and effective use of the MDT Chassis LSS Gen3 System. Always prioritize safety and responsible firearm handling.
