

Chassis - LSS Gen3 System - Ruger 10/22 - Competitor - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

If you're building a match rifle and want to skip the guesswork, this is it. The MDT LSS GEN3 Competition Kit takes one of the most modular rifle chassis systems available and refines it for a single purpose: winning stages.

No picking parts. No mismatched accessories. No second-guessing your setup. This is a rock-solid, competition-ready rifle foundation—straight out of the box. Every component in the kit is carefully selected to give you a measurable advantage in PRS, NRL, and other precision shooting disciplines. It's not just modular. It's optimized.

At the heart of the system is the flat, wide Competition Forend with an integrated ARCA rail. Designed for stability and speed, it makes running barricades feel automatic. Lock into a tripod in seconds, clamp on a bipod with confidence, and transition between props without hesitation. The geometry is built for balance, control, and consistency under match pressure.

Though this is a pre-configured kit, it's far from a compromise. You get the same rock-solid fitment, return-to-zero consistency, and durability the GEN3 platform is known for—now equipped with competition-ready components already installed. It's built to perform at the highest level from day one.

Already a beast out of the box, the LSS GEN3 Competition Kit remains fully modular. Swap the grip. Change the stock. Add internal and external weights, bridges, or other accessories. Tune the balance. Refine the feel. Make it uniquely yours.

MDT Chassis LSS Gen3 System Safety Instruction Guide

Introduction

Thank you for choosing the MDT Chassis LSS Gen3 System for your Ruger 10/22. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document thoroughly before installation and use.

General Safety Guidelines

- Ensure safe use of the MDT Chassis by following these guidelines:
 - Always handle your rifle with care and treat it as if it is loaded.
 - Keep the rifle pointed in a safe direction at all times.
 - Store the rifle in a secure location, away from children and unauthorized users.
 - Regularly inspect the chassis and all components for any signs of wear or damage.
 - Familiarize yourself with local laws and regulations regarding firearm ownership and use.
- In case of any safety concerns or incidents:
 - Report unsafe products and accidents to the appropriate authorities.
 - Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- When using the MDT Chassis LSS Gen3 System:
 - Ensure all components are properly secured before use.
 - Use only compatible accessories designed for the LSS Gen3 System.
 - Do not exceed the weight limits specified by the manufacturer for added accessories.
 - Avoid using the chassis in extreme weather conditions that could affect performance.
 - Always wear appropriate safety gear, such as eye and ear protection, when shooting.
- Special considerations for vulnerable groups:
 - Ensure that children are supervised at all times when handling firearms.
 - Educate younger users about firearm safety and proper handling techniques.

Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the MDT Chassis LSS Gen3 System:

1. Installation:

- Carefully unpack all components from the kit.
- Read the manufacturer's instructions for each component before installation.
- Install the chassis onto the Ruger 10/22 following the provided guidelines.
- Ensure that all screws and fasteners are tightened securely.

2. Usage:

- Before each use, perform a safety check on the rifle and chassis.
- Adjust the grip and stock for comfort and control.
- Practice shooting in a controlled environment to become familiar with the chassis' performance.
- Regularly clean and maintain the chassis to ensure optimal performance.

Disposal Instructions

- When disposing of the MDT Chassis LSS Gen3 System:
 - Follow local regulations for the disposal of firearmrelated products.
 - Do not dispose of the chassis in regular household waste.
 - Consider recycling components where possible, or consult a local disposal service specializing in firearms.

Contact Information for Further Support

- For any inquiries regarding safety or product support, please refer to the contact information provided by the manufacturer. It is important to have access to assistance for any questions or issues that may arise during the use of the MDT Chassis LSS Gen3 System.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your MDT Chassis LSS Gen3 System. Thank you for prioritizing safety and responsible firearm handling.
