

Chassis - LSS Gen3 System - Ruger 10/22 - Competitor - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

If you're building a match rifle and want to skip the guesswork, this is it. The MDT LSS GEN3 Competition Kit takes one of the most modular rifle chassis systems available and refines it for a single purpose: winning stages.

No picking parts. No mismatched accessories. No second-guessing your setup. This is a rock-solid, competition-ready rifle foundation—straight out of the box. Every component in the kit is carefully selected to give you a measurable advantage in PRS, NRL, and other precision shooting disciplines. It's not just modular. It's optimized.

At the heart of the system is the flat, wide Competition Forend with an integrated ARCA rail. Designed for stability and speed, it makes running barricades feel automatic. Lock into a tripod in seconds, clamp on a bipod with confidence, and transition between props without hesitation. The geometry is built for balance, control, and consistency under match pressure.

Though this is a pre-configured kit, it's far from a compromise. You get the same rock-solid fitment, return-to-zero consistency, and durability the GEN3 platform is known for—now equipped with competition-ready components already installed. It's built to perform at the highest level from day one.

Already a beast out of the box, the LSS GEN3 Competition Kit remains fully modular. Swap the grip. Change the stock. Add internal and external weights, bridges, or other accessories. Tune the balance. Refine the feel. Make it uniquely yours.

MDT Chassis LSS Gen3 System Safety Instruction Guide

Introduction

Thank you for choosing the MDT Chassis LSS Gen3 System for your Ruger 10/22. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that you are familiar with all local laws and regulations regarding the use of firearms and firearm accessories.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the muzzle pointed in a safe direction at all times.
- Store your firearm and chassis system securely to prevent unauthorized access, especially from children.
- Regularly inspect your chassis and firearm for any signs of damage or wear.
- Use recommended accessories and components to ensure compatibility and safety.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Do not exceed the manufacturer's recommended weight limits for accessories and attachments.
- Be cautious when adjusting or modifying the chassis system to avoid accidental discharge.
- Ensure that the forend is securely attached before use, as instability can lead to accidents.
- Avoid using the chassis system in extreme weather conditions that may affect performance or safety.
- If you experience any malfunctions or unusual behavior while using the product, cease use immediately and consult a qualified professional.

Instructions for Installation and Usage

Installation

1. **Prepare Your Workspace:** Ensure that you are in a clean, welllit area.
2. **Unpack the Product:** Carefully remove the MDT Chassis LSS Gen3 System from its packaging and check for all components.
3. **Attach the Chassis:**
 - Align the chassis with the Ruger 10/22 action.
 - Secure the chassis using the provided screws and tools, ensuring a tight fit without overtightening.
4. **Install Accessories:** If applicable, attach any accessories such as bipods or weights as per the manufacturer's instructions.
5. **Final Check:** Inspect all connections and ensure that the chassis is securely mounted to the firearm.

Usage

- Ensure that the firearm is unloaded before attaching or detaching the chassis.
- When using the chassis, practice proper shooting techniques and maintain control at all times.
- Familiarize yourself with the balance and feel of the rifle after installation, making adjustments as necessary to suit your preferences.
- Always follow the instructions provided with any additional accessories used with the chassis.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the chassis system reaches the end of its life or is damaged beyond repair, contact local waste disposal services to ensure safe and responsible disposal.
- Do not dispose of firearms or firearm accessories in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety concerns, product support, or to report unsafe products, please refer to the appropriate authorities or your retailer for guidance.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the MDT Chassis LSS Gen3 System.
