Need one rifle that can truly do it all? Start here. The MDT LSS GEN3 Tactical Kit is engineered around flexibility, reliability, and rugged performance. Whether it's your dependable truck gun, a backcountry bolt-action rig, or a range build you want to fully customize, this kit delivers the foundation to make it happen.

With ergonomics inspired by the AR-15 platform, it offers a familiar feel paired with bolt-action precision. The result is a system that feels intuitive in hand while maintaining the accuracy and control serious shooters demand. Fully capable and fully upgradeable, it adapts to your mission without compromise.

Built to take a beating, the Tactical Kit doesn't budge under pressure. A rock-solid fit, rigid forend, and durable construction throughout ensure consistent performance in harsh conditions. This isn't about shaving ounces or building the lightest possible setup. It's about rugged reliability and endless flexibility. When conditions get tough, this chassis holds its ground.

The included SCS Buttstock gives you tool-less control over length of pull, cheek height, and buttpad position. Adjust your fit on the fly and maintain a repeatable shooting position no matter the environment or shooting style.

Up front, the Tactical Forend features M-LOK slots on all five faces, giving you maximum mounting versatility. Add a bipod, internal or external weights, a sling, a weapon light, spare rounds, or any mission-specific accessory you need. Configure it for tactical applications, vehicle carry, field use, or a versatile do-it-all range setup.

While this is a pre-configured kit, it's built on the LSS GEN3 Chassis platform—meaning the modularity doesn't stop here. Swap the grip. Change the forend. Install a different stock for a different role. As your needs evolve, your rifle evolves with you.

Safety Instruction Guide for MDT Chassis LSS Gen3 System

Introduction

Thank you for choosing the MDT Chassis LSS Gen3 System for your Ruger 10/22. This guide provides essential safety instructions, usage guidelines, and important information to ensure safe operation and maintenance of your product. Please read this guide thoroughly before use.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions to avoid risks.
- Always treat your rifle as if it is loaded, even if you believe it is not.
- Keep the rifle pointed in a safe direction at all times.
- Store the rifle in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your rifle for any signs of wear or damage before use.
- Use only compatible parts and accessories with the MDT Chassis LSS Gen3 System.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using the rifle.
- Do not use the rifle under the influence of drugs or alcohol.
- Ensure that the rifle is properly maintained to prevent malfunctions.
- Be cautious when adjusting the SCS Buttstock to avoid pinching fingers.
- When attaching accessories to the Tactical Forend, ensure they are securely fastened to prevent accidents.
- Avoid using the rifle in wet or slippery conditions unless it is specifically designed for such use.
- Be mindful of the weight of the rifle when adding accessories, as it may affect handling and stability.

Instructions for Installation and Usage

Installation

1. Assemble the Chassis:

- Remove all components from the packaging.
- Follow the manufacturer's instructions to assemble the MDT Chassis LSS Gen3 System with your Ruger 10/22.

2. Adjust the SCS Buttstock:

- Adjust the length of pull, cheek height, and buttpad position using the toolless adjustment features.
- Ensure the adjustments are secure before use.

3. Mount Accessories:

- Utilize the MLOK slots on the Tactical Forend to attach accessories.
- Ensure all accessories are compatible and securely mounted.

Usage

1. Loading and Unloading:

- Always follow safe loading and unloading procedures.
- Ensure the rifle is pointed in a safe direction when loading or unloading.

2. Shooting:

- Establish a stable shooting position.
- Maintain control of the rifle at all times.
- Follow all range rules and regulations.

3. PostUse Care:

- Clean the rifle after each use according to the manufacturer's guidelines.
- Store the rifle securely when not in use.

Disposal Instructions

- Dispose of any packaging materials responsibly, ensuring they do not pose a hazard to the environment.
- When disposing of the rifle or its components, follow local regulations regarding firearm disposal.
- If the product is damaged beyond repair, ensure it is rendered inoperable before disposal.

Contact Information for Further Support

For any questions or concerns regarding the MDT Chassis LSS Gen3 System, please refer to the manufacturer's website or contact your local dealer for assistance.

Important: Always keep this safety instruction guide for future reference.
