

Chassis - LSS Gen3 System - Ruger American - SA - LH - Tactical - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Need one rifle that can truly do it all? Start here. The MDT LSS GEN3 Tactical Kit is engineered around flexibility, reliability, and rugged performance. Whether it's your dependable truck gun, a backcountry bolt-action rig, or a range build you want to fully customize, this kit delivers the foundation to make it happen.

With ergonomics inspired by the AR-15 platform, it offers a familiar feel paired with bolt-action precision. The result is a system that feels intuitive in hand while maintaining the accuracy and control serious shooters demand. Fully capable and fully upgradeable, it adapts to your mission without compromise.

Built to take a beating, the Tactical Kit doesn't budge under pressure. A rock-solid fit, rigid forend, and durable construction throughout ensure consistent performance in harsh conditions. This isn't about shaving ounces or building the lightest possible setup. It's about rugged reliability and endless flexibility. When conditions get tough, this chassis holds its ground.

The included SCS Buttstock gives you tool-less control over length of pull, cheek height, and buttpad position. Adjust your fit on the fly and maintain a repeatable shooting position no matter the environment or shooting style.

Up front, the Tactical Forend features M-LOK slots on all five faces, giving you maximum mounting versatility. Add a bipod, internal or external weights, a sling, a weapon light, spare rounds, or any mission-specific accessory you need. Configure it for tactical applications, vehicle carry, field use, or a versatile do-it-all range setup.

While this is a pre-configured kit, it's built on the LSS GEN3 Chassis platform—meaning the modularity doesn't stop here. Swap the grip. Change the forend. Install a different stock for a different role. As your needs evolve, your rifle evolves with you.

MDT Chassis LSS Gen3 System Safety Instruction Guide

Introduction

Thank you for choosing the MDT Chassis LSS Gen3 System. This guide provides important safety instructions to ensure the safe use and handling of your product. Please read this document carefully before using the chassis. Following these guidelines will help you avoid potential hazards and enjoy a safe shooting experience.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm in a secure place, out of reach of children and unauthorized users.
- Ensure that you are familiar with the local laws regarding firearm ownership and use.
- Wear appropriate eye and ear protection when shooting.
- Regularly inspect your chassis and firearm for any signs of wear or damage.
- Follow the manufacturer's instructions for assembly, disassembly, and maintenance.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the MDT Chassis is compatible with your firearm model before installation.
- Do not exceed the manufacturer's specified weight limits for accessories mounted on the chassis.
- Be cautious when adjusting the SCS Buttstock; ensure that adjustments are secure before use.
- Avoid using the chassis in extreme weather conditions unless it is specifically designed for such use.
- Do not modify the chassis in any way that could compromise its structural integrity or safety.
- Always use proper mounting techniques when attaching accessories to the MLOK slots.
- Ensure that the forend is securely attached and does not interfere with the operation of the firearm.

Instructions for Installation and Usage

1. Unpacking the MDT Chassis:

- Carefully remove the chassis from its packaging.
- Inspect the chassis for any visible damage or missing components.

2. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Follow the manufacturer's instructions for disassembling your firearm as necessary.
- Attach the MDT Chassis to your firearm according to the provided guidelines.
- Ensure that all screws and fasteners are tightened securely.

3. Adjusting the SCS Buttstock:

- To adjust the length of pull, cheek height, and buttpad position, simply use the toolless adjustment features.
- Ensure that all adjustments are locked in place before use.

4. Mounting Accessories:

- Utilize the MLOK slots on the Tactical Forend to attach accessories.
- Ensure that all accessories are securely mounted and do not obstruct the operation of the firearm.

5. Preparing for Use:

- Conduct a final inspection of the chassis and firearm to ensure everything is secure.
- Load your firearm in a safe environment and prepare for shooting.

6. PostUse Care:

- Clean and maintain your chassis and firearm according to the manufacturer's recommendations.
- Store the chassis and firearm in a secure location.

Disposal Instructions

- Dispose of the MDT Chassis in accordance with local regulations.
- If the chassis is damaged or no longer usable, consider recycling components where possible.
- Ensure that any hazardous materials are handled according to local environmental guidelines.

Contact Information for Further Support

For any questions or concerns regarding the MDT Chassis LSS Gen3 System, please refer to the manufacturer's website or customer service for assistance. It is important to follow all safety instructions to ensure a safe and enjoyable shooting experience.

By adhering to these guidelines, you contribute to a safer environment for yourself and others. Thank you for choosing the MDT Chassis LSS Gen3 System.
