

# Chassis - LSS Gen3 System - Ruger American - SA - LH - Tactical - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Need one rifle that can truly do it all? Start here. The MDT LSS GEN3 Tactical Kit is engineered around flexibility, reliability, and rugged performance. Whether it's your dependable truck gun, a backcountry bolt-action rig, or a range build you want to fully customize, this kit delivers the foundation to make it happen.

With ergonomics inspired by the AR-15 platform, it offers a familiar feel paired with bolt-action precision. The result is a system that feels intuitive in hand while maintaining the accuracy and control serious shooters demand. Fully capable and fully upgradeable, it adapts to your mission without compromise.

Built to take a beating, the Tactical Kit doesn't budge under pressure. A rock-solid fit, rigid forend, and durable construction throughout ensure consistent performance in harsh conditions. This isn't about shaving ounces or building the lightest possible setup. It's about rugged reliability and endless flexibility. When conditions get tough, this chassis holds its ground.

The included SCS Buttstock gives you tool-less control over length of pull, cheek height, and buttpad position. Adjust your fit on the fly and maintain a repeatable shooting position no matter the environment or shooting style.

Up front, the Tactical Forend features M-LOK slots on all five faces, giving you maximum mounting versatility. Add a bipod, internal or external weights, a sling, a weapon light, spare rounds, or any mission-specific accessory you need. Configure it for tactical applications, vehicle carry, field use, or a versatile do-it-all range setup.

While this is a pre-configured kit, it's built on the LSS GEN3 Chassis platform—meaning the modularity doesn't stop here. Swap the grip. Change the forend. Install a different stock for a different role. As your needs evolve, your rifle evolves with you.

# MDT Chassis LSS Gen3 System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Chassis LSS Gen3 System. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual carefully before installation and usage. Adhering to these guidelines will help you avoid potential hazards and ensure a positive experience with your MDT Chassis.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified by the manufacturer.
- Always handle the chassis with care to prevent injury or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the chassis for any signs of wear or damage.
- Avoid using the chassis in extreme conditions that may affect its performance.
- Follow all local laws and regulations regarding firearm use and storage.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the chassis.
- Use appropriate protective gear, such as eye and ear protection, when using the firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Never point the firearm at anything you do not intend to shoot.
- Ensure that the chassis is securely attached to the firearm before use.
- Do not exceed the manufacturer's recommendations for modifications or upgrades.
- Be cautious of the weight distribution when adding accessories to the chassis.

## Instructions for Installation and Usage

### Installation Steps

1. **Unpack the Product:** Carefully remove the chassis and all included components from the packaging.
2. **Inspect Components:** Check for any visible damage or missing parts. If any issues are found, do not proceed with installation.
3. **Prepare the Firearm:** Ensure that the firearm is completely unloaded and safe to handle.
4. **Attach the Chassis:**
  - Align the chassis with the firearm's action.
  - Securely fasten the chassis using the provided screws and tools.
5. **Adjust the SCS Buttstock:**
  - Use the toolless adjustment feature to set the length of pull, cheek height, and buttpad position to your preference.
6. **Install Accessories:**
  - Use the MLOK slots on the Tactical Forend to attach accessories as needed.
  - Ensure all accessories are securely mounted and do not interfere with the operation of the firearm.

### Usage Guidelines

- Familiarize yourself with the feel and handling of the chassis before using it in a live environment.
- Maintain a consistent shooting position by adjusting the buttstock as necessary.
- Regularly check the tightness of all screws and connections to ensure stability during use.
- After use, clean and maintain the chassis according to the manufacturer's recommendations.

## **Disposal Instructions**

- Dispose of the chassis and any accessories in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If you are unsure about disposal methods, contact local waste management authorities for guidance.

## **Contact Information for Further Support**

For any questions or concerns regarding your MDT Chassis LSS Gen3 System, please refer to the manufacturer's website or contact their support team for assistance. Ensure you have your product information handy for a more efficient response.

By following this safety instruction guide, you can ensure a safe and enjoyable experience with your MDT Chassis LSS Gen3 System. Thank you for prioritizing safety and responsible firearm use.
