

Chassis - LSS Gen3 System - Ruger American - AR - RH - Competitor - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

If you're building a match rifle and want to skip the guesswork, this is it. The MDT LSS GEN3 Competition Kit takes one of the most modular rifle chassis systems available and refines it for a single purpose: winning stages.

No picking parts. No mismatched accessories. No second-guessing your setup. This is a rock-solid, competition-ready rifle foundation—straight out of the box. Every component in the kit is carefully selected to give you a measurable advantage in PRS, NRL, and other precision shooting disciplines. It's not just modular. It's optimized.

At the heart of the system is the flat, wide Competition Forend with an integrated ARCA rail. Designed for stability and speed, it makes running barricades feel automatic. Lock into a tripod in seconds, clamp on a bipod with confidence, and transition between props without hesitation. The geometry is built for balance, control, and consistency under match pressure.

Though this is a pre-configured kit, it's far from a compromise. You get the same rock-solid fitment, return-to-zero consistency, and durability the GEN3 platform is known for—now equipped with competition-ready components already installed. It's built to perform at the highest level from day one.

Already a beast out of the box, the LSS GEN3 Competition Kit remains fully modular. Swap the grip. Change the stock. Add internal and external weights, bridges, or other accessories. Tune the balance. Refine the feel. Make it uniquely yours.

Attributes

- Name: [MDT Chassis - LSS Gen3 System - Ruger American - AR - RH - Competitor - BLK](#)
- Manufacturer: [MDT](#)
- Product no.: EU2017039

MDT Chassis LSS Gen3 System Safety Instruction Guide

Introduction

Thank you for choosing the MDT Chassis LSS Gen3 System. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

To ensure your safety and the safety of others, please follow these general safety guidelines:

- Always use the product in accordance with the manufacturer's instructions.
- Regularly inspect the product for any signs of wear or damage before use.
- Ensure that all components are securely attached before using the rifle.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents to the relevant authorities immediately.
- Stay informed about recalls and safety updates by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

When using the MDT Chassis LSS Gen3 System, please consider the following safety precautions:

- Ensure that you are familiar with the operation of your rifle and its components.
- Always handle firearms responsibly and in a safe environment.
- Use appropriate protective gear, including eye and ear protection, when using the rifle.
- Avoid using the product in adverse weather conditions that may affect stability or safety.
- Do not modify the product beyond the manufacturer's specifications, as this may compromise safety.
- Be aware of your surroundings and ensure a safe shooting area when using the rifle.

Instructions for Installation and Usage

Follow these steps for the proper installation and usage of the MDT Chassis LSS Gen3 System:

Installation

1. **Prepare Your Workspace:** Ensure you have a clean, welllit area to work in.
2. **Gather Necessary Tools:** Have all required tools ready, including any specific tools recommended by the manufacturer.
3. **Assemble the Chassis:**
 - Remove all components from the packaging.
 - Follow the provided assembly instructions to attach the forend, grip, and stock securely.
 - Ensure all screws and fasteners are tightened to the manufacturer's specifications.
4. **Check Fitment:** Once assembled, check that all components fit snugly and securely.

Usage

1. **Loading the Rifle:** Follow standard procedures for loading your rifle safely.
2. **Adjusting Components:** Make adjustments to the grip and stock as needed for comfort and control.
3. **Shooting:**
 - Always aim in a safe direction.
 - Be sure to follow all local laws and regulations regarding firearm use.
 - Maintain control and balance while shooting to ensure accuracy and safety.

Disposal Instructions

When disposing of the MDT Chassis LSS Gen3 System, please follow these guidelines:

- Dispose of any components in accordance with local regulations.
- Recycle materials where applicable, ensuring that any hazardous materials are handled safely.
- Do not dispose of the product in general waste if it contains any parts that are not biodegradable.

Contact Information for Further Support

For any inquiries or further support regarding the MDT Chassis LSS Gen3 System, please refer to the manufacturer's website or contact your local dealer. Ensure you have your product details and any relevant information ready for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your MDT Chassis LSS Gen3 System. Always prioritize safety and stay informed about best practices in firearm handling and usage. Thank you for your attention to these important guidelines.
