

Chassis - LSS Gen3 System - Ruger American - AR - RH - Competitor - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

If you're building a match rifle and want to skip the guesswork, this is it. The MDT LSS GEN3 Competition Kit takes one of the most modular rifle chassis systems available and refines it for a single purpose: winning stages.

No picking parts. No mismatched accessories. No second-guessing your setup. This is a rock-solid, competition-ready rifle foundation—straight out of the box. Every component in the kit is carefully selected to give you a measurable advantage in PRS, NRL, and other precision shooting disciplines. It's not just modular. It's optimized.

At the heart of the system is the flat, wide Competition Forend with an integrated ARCA rail. Designed for stability and speed, it makes running barricades feel automatic. Lock into a tripod in seconds, clamp on a bipod with confidence, and transition between props without hesitation. The geometry is built for balance, control, and consistency under match pressure.

Though this is a pre-configured kit, it's far from a compromise. You get the same rock-solid fitment, return-to-zero consistency, and durability the GEN3 platform is known for—now equipped with competition-ready components already installed. It's built to perform at the highest level from day one.

Already a beast out of the box, the LSS GEN3 Competition Kit remains fully modular. Swap the grip. Change the stock. Add internal and external weights, bridges, or other accessories. Tune the balance. Refine the feel. Make it uniquely yours.

MDT Chassis LSS Gen3 System Safety Instruction Guide

Introduction

Thank you for choosing the MDT Chassis LSS Gen3 System. This product is designed to provide a robust and reliable foundation for your precision rifle. To ensure your safety and the safe use of this product, please read and follow all instructions and guidelines outlined in this document.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms and related equipment with care and respect.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Before using the MDT Chassis, ensure that it is properly assembled and fitted to your rifle.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Do not modify the chassis or any of its components beyond the manufacturer's specifications.
- Be aware of your surroundings and ensure a safe shooting environment.
- Ensure that the rifle is unloaded when making adjustments to the chassis or its components.
- Follow all local laws and regulations regarding firearm usage and safety.

Instructions for Installation and Usage

Installation

1. **Unboxing:** Carefully remove the MDT Chassis from its packaging. Inspect the contents for any damage or missing parts.
2. **Assembly:**
 - Attach the chassis to your Ruger American rifle according to the manufacturer's guidelines.
 - Ensure that all screws and fasteners are tightened securely.
 - Install the Competition Forend and ensure the ARCA rail is properly aligned.
3. **Adjustments:**
 - Adjust the grip and stock to fit your personal preferences.
 - Add any internal or external weights as needed for balance.

Usage

1. **Setup:**
 - Before each use, check the fitment and stability of the chassis on your rifle.
 - Practice transitioning between props to ensure familiarity with the setup.
2. **Shooting:**
 - Use the integrated ARCA rail for quick attachment to tripods or bipods.
 - Maintain control and balance while shooting to enhance accuracy.
 - Regularly check the alignment and stability of the chassis during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and firearm-related waste.
- Do not dispose of the product in regular household waste.
- If you are unsure about disposal methods, contact local waste management authorities for guidance.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support, please refer to the contact point provided by the manufacturer or retailer where the product was purchased.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the MDT Chassis LSS Gen3 System while prioritizing safety and compliance with all relevant regulations.
