

Chassis - LSS Gen3 System - Ruger American - AR - RH - Tactical - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Need one rifle that can truly do it all? Start here. The MDT LSS GEN3 Tactical Kit is engineered around flexibility, reliability, and rugged performance. Whether it's your dependable truck gun, a backcountry bolt-action rig, or a range build you want to fully customize, this kit delivers the foundation to make it happen.

With ergonomics inspired by the AR-15 platform, it offers a familiar feel paired with bolt-action precision. The result is a system that feels intuitive in hand while maintaining the accuracy and control serious shooters demand. Fully capable and fully upgradeable, it adapts to your mission without compromise.

Built to take a beating, the Tactical Kit doesn't budge under pressure. A rock-solid fit, rigid forend, and durable construction throughout ensure consistent performance in harsh conditions. This isn't about shaving ounces or building the lightest possible setup. It's about rugged reliability and endless flexibility. When conditions get tough, this chassis holds its ground.

The included SCS Buttstock gives you tool-less control over length of pull, cheek height, and buttpad position. Adjust your fit on the fly and maintain a repeatable shooting position no matter the environment or shooting style.

Up front, the Tactical Forend features M-LOK slots on all five faces, giving you maximum mounting versatility. Add a bipod, internal or external weights, a sling, a weapon light, spare rounds, or any mission-specific accessory you need. Configure it for tactical applications, vehicle carry, field use, or a versatile do-it-all range setup.

While this is a pre-configured kit, it's built on the LSS GEN3 Chassis platform—meaning the modularity doesn't stop here. Swap the grip. Change the forend. Install a different stock for a different role. As your needs evolve, your rifle evolves with you.

MDT Chassis LSS Gen3 System Safety Instructions

Introduction

Thank you for choosing the MDT Chassis LSS Gen3 System. This product is designed to provide you with a reliable and flexible platform for your shooting needs. To ensure your safety and the safe use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- **Product Safety:** Always ensure safe handling and use of the MDT Chassis. This product is designed for nonfood use and should be treated with care.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If you receive a recall notice, follow the instructions provided to ensure your safety.
- **Online Shopping Safety:** If purchased online, ensure that the vendor complies with safety requirements similar to those of physical stores.
- **Vulnerable Groups:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For questions regarding safety, refer to the contact information provided in the product packaging or user manual.
- **Rapid Alerts:** Be aware of any updates regarding product safety through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Read the Manual:** Always read the user manual before using the MDT Chassis to understand its features and safety measures.
- **Inspect Before Use:** Check for any visible damage to the chassis before each use. Do not use if damaged.
- **Proper Handling:** Always handle the chassis with care. Avoid dropping or striking it against hard surfaces.
- **Shooting Environment:** Ensure you are in a safe and designated shooting area. Follow all local laws and regulations regarding firearms.
- **Protective Gear:** Wear appropriate protective gear, including eye and ear protection, while using the MDT Chassis.
- **Avoid Overloading:** Do not exceed the recommended weight limits for attachments and accessories.
- **Secure Attachments:** Ensure all attachments are securely fastened before use to prevent accidents.
- **Regular Maintenance:** Regularly clean and maintain the chassis to ensure optimal performance and safety.

Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the MDT Chassis from the packaging. Inspect for any damage or missing parts.
2. **Installation:**
 - Follow the user manual for specific installation instructions.
 - Ensure that all components are securely attached and properly aligned.
 - If applicable, adjust the SCS Buttstock for length of pull, cheek height, and buttpad position to fit your shooting style.
3. **Usage:**
 - Load your rifle according to the manufacturer's guidelines.

- Ensure the safety is engaged until you are ready to shoot.
- Maintain a stable shooting position and keep the muzzle pointed in a safe direction at all times.
- Adjust the Tactical Forend as needed to accommodate accessories like bipods or weapon lights.

4. **PostUsage:**

- After use, safely unload the rifle and store the chassis in a secure location.
- Clean the chassis according to the maintenance guidelines provided in the user manual.

Disposal Instructions

- **Product Disposal:** When the MDT Chassis reaches the end of its life, dispose of it in accordance with local regulations. Do not dispose of it in regular household waste.
- **Environmental Considerations:** Consider recycling parts of the chassis where possible. Follow local guidelines for recycling materials.

Contact Information for Further Support

For any questions or concerns regarding the MDT Chassis LSS Gen3 System, please refer to the contact information provided in the product packaging or user manual. Ensure you have your product details ready when seeking assistance.

By following these safety instructions, you can enjoy the full benefits of your MDT Chassis LSS Gen3 System while ensuring a safe experience. Thank you for your attention to safety.
