

# Chassis - LSS Gen3 System - Ruger American - AR - RH - Tactical - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Need one rifle that can truly do it all? Start here. The MDT LSS GEN3 Tactical Kit is engineered around flexibility, reliability, and rugged performance. Whether it's your dependable truck gun, a backcountry bolt-action rig, or a range build you want to fully customize, this kit delivers the foundation to make it happen.

With ergonomics inspired by the AR-15 platform, it offers a familiar feel paired with bolt-action precision. The result is a system that feels intuitive in hand while maintaining the accuracy and control serious shooters demand. Fully capable and fully upgradeable, it adapts to your mission without compromise.

Built to take a beating, the Tactical Kit doesn't budge under pressure. A rock-solid fit, rigid forend, and durable construction throughout ensure consistent performance in harsh conditions. This isn't about shaving ounces or building the lightest possible setup. It's about rugged reliability and endless flexibility. When conditions get tough, this chassis holds its ground.

The included SCS Buttstock gives you tool-less control over length of pull, cheek height, and buttpad position. Adjust your fit on the fly and maintain a repeatable shooting position no matter the environment or shooting style.

Up front, the Tactical Forend features M-LOK slots on all five faces, giving you maximum mounting versatility. Add a bipod, internal or external weights, a sling, a weapon light, spare rounds, or any mission-specific accessory you need. Configure it for tactical applications, vehicle carry, field use, or a versatile do-it-all range setup.

While this is a pre-configured kit, it's built on the LSS GEN3 Chassis platform—meaning the modularity doesn't stop here. Swap the grip. Change the forend. Install a different stock for a different role. As your needs evolve, your rifle evolves with you.

# MDT Chassis LSS Gen3 System Safety Instructions

## Introduction

Thank you for choosing the MDT Chassis LSS Gen3 System. This product is designed for versatility and performance, making it suitable for various shooting applications. It is essential to follow the safety guidelines outlined in this document to ensure safe and effective use of the chassis.

## General Safety Guidelines

- Always treat the rifle as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure you have a clear understanding of how to operate the MDT Chassis before use.
- Do not use the chassis while under the influence of drugs or alcohol.
- Always wear appropriate personal protective equipment, including eye and ear protection.
- Store the chassis and any associated components securely and out of reach of children.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm use and ownership.

## Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before making any adjustments to the chassis.
- Only use compatible components designed for the MDT LSS GEN3 system.
- Avoid placing any objects in front of the muzzle while handling the rifle.
- Do not alter or modify the chassis in any way that could compromise its integrity or safety.
- Be aware of your surroundings and ensure that you are in a safe environment when using the rifle.
- If you notice any unusual behavior or performance issues with the rifle, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Unpack the Chassis:** Carefully remove the MDT Chassis from its packaging. Inspect for any damage.
2. **Install the Buttstock:**
  - Align the buttstock with the chassis.
  - Secure it in place by following the manufacturer's instructions for toolless adjustments.
3. **Attach the Forend:**
  - Slide the forend onto the chassis.
  - Ensure it is securely fastened and check for stability.
4. **Configure Accessories:**
  - Utilize the MLOK slots on the forend to attach accessories as needed.
  - Ensure all accessories are securely mounted.

### Usage

1. **Adjusting the Buttstock:**
  - Use the toolless controls to adjust the length of pull, cheek height, and buttpad position for a comfortable fit.
2. **Loading the Rifle:**
  - Ensure the rifle is pointed in a safe direction.
  - Load the rifle following standard firearm safety practices.
3. **Shooting:**

- Maintain a stable shooting position and follow proper shooting techniques.
- Be aware of the target and what is beyond it at all times.

## **Disposal Instructions**

- Dispose of the chassis and any components in accordance with local regulations regarding electronic waste and firearms.
- Do not dispose of the chassis in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT Chassis LSS Gen3 System, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT Chassis LSS Gen3 System. Always prioritize safety and responsible handling of your equipment.
