

Chassis - LSS Gen3 System - Ruger American - LA - RH - Competitor - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

If you're building a match rifle and want to skip the guesswork, this is it. The MDT LSS GEN3 Competition Kit takes one of the most modular rifle chassis systems available and refines it for a single purpose: winning stages.

No picking parts. No mismatched accessories. No second-guessing your setup. This is a rock-solid, competition-ready rifle foundation—straight out of the box. Every component in the kit is carefully selected to give you a measurable advantage in PRS, NRL, and other precision shooting disciplines. It's not just modular. It's optimized.

At the heart of the system is the flat, wide Competition Forend with an integrated ARCA rail. Designed for stability and speed, it makes running barricades feel automatic. Lock into a tripod in seconds, clamp on a bipod with confidence, and transition between props without hesitation. The geometry is built for balance, control, and consistency under match pressure.

Though this is a pre-configured kit, it's far from a compromise. You get the same rock-solid fitment, return-to-zero consistency, and durability the GEN3 platform is known for—now equipped with competition-ready components already installed. It's built to perform at the highest level from day one.

Already a beast out of the box, the LSS GEN3 Competition Kit remains fully modular. Swap the grip. Change the stock. Add internal and external weights, bridges, or other accessories. Tune the balance. Refine the feel. Make it uniquely yours.

MDT Chassis LSS Gen3 System Safety Instructions

Introduction

Thank you for choosing the MDT Chassis LSS Gen3 System. This product is designed for precision shooting and competition use. To ensure your safety and the optimal performance of the chassis, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that all components are correctly installed and securely fastened before use.
- Always handle firearms and related equipment with care and respect.
- Use the product only for its intended purpose as described in the product documentation.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis and its components for wear or damage.
- Report any unsafe conditions or accidents to the relevant authorities.
- Check the EU's Safety Gate platform for recall updates and safety alerts.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the area where you are shooting is safe and free of obstructions.
- Avoid using the product in adverse weather conditions that could affect your safety.
- Do not modify the chassis or its components in ways not specified by the manufacturer.
- Be aware of your surroundings and ensure that no one is in the line of fire.
- Use only compatible accessories and components to avoid malfunctions.
- Follow all local laws and regulations regarding firearm use and storage.

Instructions for Installation and Usage

1. Unboxing the Product

- Carefully remove the MDT Chassis from the packaging.
- Inspect all components for any signs of damage or missing parts.

2. Installation

- Follow the manufacturer's guidelines for installing the chassis onto your firearm.
- Ensure that all screws and fasteners are tightened to the specified torque settings.
- Verify that the chassis is securely attached before proceeding to use.

3. Adjustments

- Adjust the stock and grip to fit your personal preference and comfort.
- Test the adjustments to ensure they are secure and do not interfere with operation.

4. Using the Chassis

- Familiarize yourself with the chassis features, including the Competition Forend and integrated ARCA rail.
- Practice mounting your firearm on the chassis in a safe environment.
- Make sure to lock into a tripod or bipod securely before shooting.

5. PostUse Care

- Clean the chassis and inspect for any wear or damage after each use.
- Store the chassis in a cool, dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MDT Chassis LSS Gen3 System, please refer to the product manual or contact your retailer for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT Chassis LSS Gen3 System. Thank you for your attention to these important guidelines.
