

Chassis - LSS Gen3 System - Ruger American - LA - RH - Competitor - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

If you're building a match rifle and want to skip the guesswork, this is it. The MDT LSS GEN3 Competition Kit takes one of the most modular rifle chassis systems available and refines it for a single purpose: winning stages.

No picking parts. No mismatched accessories. No second-guessing your setup. This is a rock-solid, competition-ready rifle foundation—straight out of the box. Every component in the kit is carefully selected to give you a measurable advantage in PRS, NRL, and other precision shooting disciplines. It's not just modular. It's optimized.

At the heart of the system is the flat, wide Competition Forend with an integrated ARCA rail. Designed for stability and speed, it makes running barricades feel automatic. Lock into a tripod in seconds, clamp on a bipod with confidence, and transition between props without hesitation. The geometry is built for balance, control, and consistency under match pressure.

Though this is a pre-configured kit, it's far from a compromise. You get the same rock-solid fitment, return-to-zero consistency, and durability the GEN3 platform is known for—now equipped with competition-ready components already installed. It's built to perform at the highest level from day one.

Already a beast out of the box, the LSS GEN3 Competition Kit remains fully modular. Swap the grip. Change the stock. Add internal and external weights, bridges, or other accessories. Tune the balance. Refine the feel. Make it uniquely yours.

Safety Instruction Guide for MDT Chassis LSS Gen3 System

Introduction

Thank you for choosing the MDT Chassis LSS Gen3 System. This product is designed for precision shooting and competitive use. To ensure your safety and the optimal performance of your chassis, please read this safety instruction guide carefully. It provides essential information on safe usage, installation, maintenance, and disposal.

General Safety Guidelines

- **Product Safety:** Ensure that you use the MDT Chassis according to the instructions provided. This product is designed for safe use when handled properly.
- **Enhanced Recalls:** Stay informed about any product recalls by checking the EU's Safety Gate platform. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements as outlined by EU regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Always keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the contact information provided by your retailer.
- **Rapid Alerts:** Regularly check for updates on unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- **Proper Handling:** Always handle the chassis with care. Avoid dropping or striking it against hard surfaces.
- **Firearm Compatibility:** Ensure that the chassis is compatible with your specific firearm model (Ruger American LA RH). Using it with incompatible firearms can lead to malfunction or injury.
- **Weight Management:** When adding internal and external weights or accessories, ensure they are securely attached to avoid shifting during use.
- **Use in Appropriate Conditions:** Avoid using the chassis in extreme weather conditions that may affect performance, such as heavy rain or extreme heat.
- **Regular Inspections:** Periodically inspect the chassis for wear or damage. Replace any worn or damaged parts immediately.
- **Safe Shooting Practices:** Always follow standard safety practices when handling firearms, including keeping the muzzle pointed in a safe direction and using eye and ear protection.

Instructions for Installation and Usage

1. Installation:

- Ensure that your workspace is clean and free of distractions.
- Follow the manufacturer's installation instructions carefully.
- Use appropriate tools and ensure that all screws and fittings are tightened securely.
- Check that the chassis is properly aligned with your firearm before use.

2. Usage:

- Familiarize yourself with the features of the MDT Chassis, including the Competition Forend and integrated ARCA rail.
- Practice mounting your firearm on the chassis in a safe environment before heading to the range.
- When using the tripod or bipod, ensure that they are securely attached and stable.

- Adjust the grip and stock to fit your personal preferences for optimal control and comfort.
- Always perform a function check before using the chassis in a competitive setting.

Disposal Instructions

- **Environmental Considerations:** Dispose of the MDT Chassis and any components in accordance with local regulations. Do not dispose of in regular household waste.
- **Recycling:** If possible, recycle materials such as metal and plastic components.
- **Hazardous Materials:** If any part of the chassis contains hazardous materials, follow appropriate disposal guidelines for those materials.

Contact Information for Further Support

For additional support or inquiries regarding the MDT Chassis LSS Gen3 System, please refer to the contact information provided by your retailer or manufacturer. Always ensure that you have the latest information regarding product safety and updates.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the MDT Chassis LSS Gen3 System!
