

Chassis - LSS Gen3 System - Ruger American - LA - RH - Tactical - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Need one rifle that can truly do it all? Start here. The MDT LSS GEN3 Tactical Kit is engineered around flexibility, reliability, and rugged performance. Whether it's your dependable truck gun, a backcountry bolt-action rig, or a range build you want to fully customize, this kit delivers the foundation to make it happen.

With ergonomics inspired by the AR-15 platform, it offers a familiar feel paired with bolt-action precision. The result is a system that feels intuitive in hand while maintaining the accuracy and control serious shooters demand. Fully capable and fully upgradeable, it adapts to your mission without compromise.

Built to take a beating, the Tactical Kit doesn't budge under pressure. A rock-solid fit, rigid forend, and durable construction throughout ensure consistent performance in harsh conditions. This isn't about shaving ounces or building the lightest possible setup. It's about rugged reliability and endless flexibility. When conditions get tough, this chassis holds its ground.

The included SCS Buttstock gives you tool-less control over length of pull, cheek height, and buttpad position. Adjust your fit on the fly and maintain a repeatable shooting position no matter the environment or shooting style.

Up front, the Tactical Forend features M-LOK slots on all five faces, giving you maximum mounting versatility. Add a bipod, internal or external weights, a sling, a weapon light, spare rounds, or any mission-specific accessory you need. Configure it for tactical applications, vehicle carry, field use, or a versatile do-it-all range setup.

While this is a pre-configured kit, it's built on the LSS GEN3 Chassis platform—meaning the modularity doesn't stop here. Swap the grip. Change the forend. Install a different stock for a different role. As your needs evolve, your rifle evolves with you.

MDT Chassis LSS Gen3 System Safety Instruction Guide

Introduction

Congratulations on your purchase of the MDT Chassis LSS Gen3 System. This product is designed for versatility and performance, suitable for a variety of shooting applications. However, it is essential to use this product safely and responsibly. This guide provides important safety instructions and guidelines to ensure your safety and the proper functioning of your MDT Chassis.

General Safety Guidelines

- Always treat your rifle and its components as if they are loaded.
- Keep the rifle pointed in a safe direction at all times.
- Store the MDT Chassis and any associated firearms securely and out of reach of children and unauthorized users.
- Regularly inspect the chassis for wear and damage before each use.
- Ensure that you are familiar with the local laws and regulations regarding firearm ownership and usage.
- Always use appropriate personal protective equipment (PPE), such as ear and eye protection, when shooting.
- Do not modify the MDT Chassis or any of its components without proper knowledge and understanding of the implications.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before attaching or detaching any accessories.
- Use only compatible accessories as recommended by the manufacturer.
- When adjusting the SCS Buttstock, make sure to do so in a safe environment and avoid pinching your fingers.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.
- Avoid using the MDT Chassis in extreme conditions unless it has been specifically designed for such use.
- Regularly check all mounting points and accessories for tightness and security.

Instructions for Installation and Usage

1. Unpacking the MDT Chassis

- Carefully remove the MDT Chassis from its packaging.
- Inspect the product for any visible damage or missing parts.
- If any issues are found, do not use the product and contact support.

2. Installing the Chassis

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Follow the manufacturer's instructions for attaching the rifle to the chassis.
- Securely fasten all screws and components to ensure stability.

3. Adjusting the SCS Buttstock

- To adjust the length of pull, cheek height, and buttpad position, simply use the toolless adjustment features.
- Make adjustments while holding the rifle in a safe position.
- Test the adjustments to ensure they are secure before use.

4. Using the Tactical Forend

- Attach accessories using the MLOK slots according to your needs.
- Ensure all accessories are securely mounted before use.

5. Regular Maintenance

- Clean and maintain your MDT Chassis regularly to ensure optimal performance.
- Check for any signs of wear or damage and replace parts as necessary.

Disposal Instructions

- When disposing of the MDT Chassis, follow local regulations for the disposal of firearm components.
- Do not dispose of the chassis in regular household waste.
- Consider recycling components where possible.

Contact Information for Further Support

For any questions or concerns regarding the MDT Chassis LSS Gen3 System, please refer to the product documentation or visit the official website for support options.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT Chassis LSS Gen3 System. Always prioritize safety and responsibility when handling firearms and their components.
