Metalform/CobraMag Magazine Base Pad for 1911 Pistols Safety Instructions

Introduction

Thank you for choosing the Metalform/CobraMag Magazine Base Pad for 1911 pistols. This product is designed to enhance your magazine's performance and usability. Please read this safety instruction guide carefully to ensure safe and effective use of your new base pad.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the magazine.
- Follow all local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Inspect the base pad regularly for any signs of wear or damage.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the magazine is compatible with your specific 1911 model before installation.
- Use only the recommended ammunition type for your firearm.
- Avoid using the magazine in extreme environments (e.g., excessive heat or moisture) that could affect performance.
- Do not attempt to modify or alter the base pad, as this may compromise safety and functionality.
- Always wear appropriate eye and ear protection while shooting.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and the magazine is removed.
- Align the base pad with the bottom of the magazine.
- Press firmly until the base pad clicks into place, ensuring it is securely attached.
- Check for proper fit by gently pulling on the base pad to confirm it is locked in.

2. Usage:

- Load the magazine with the appropriate ammunition.
- Insert the magazine into the firearm until it locks into place.
- Test the magazine function by cycling the action of the firearm in a safe environment.
- If any issues arise during use, remove the magazine immediately and inspect it for damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and metal recycling.
- Do not throw away with regular household waste.
- If the base pad is damaged, ensure it is disposed of safely to prevent injury.
