Safety Instruction Guide for ARMANOV STENCIL FOR BRASS MARKING Spare 4 Flute Cutting Bit for Armanov Router Case Trimmer

Introduction

Thank you for choosing the ARMANOV STENCIL FOR BRASS MARKING Spare 4 Flute Cutting Bit. This guide provides essential safety information and instructions to ensure the safe use of this product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure you are familiar with the operation of the Armanov Router Case Trimmer (RCT) before using the cutter bit.
- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, while using the cutter bit.
- Keep the work area clean and welllit to avoid accidents.
- Store the cutter bit in a safe place, out of reach of children and vulnerable individuals.
- Regularly inspect the cutter bit for damage or wear. Do not use if damaged.
- Follow all local regulations regarding the safe use and disposal of tools and accessories.

Specific Safety Precautions for Use

- Use the cutter bit only with the Armanov Router Case Trimmer (RCT) as intended.
- Do not exceed the manufacturer's recommended speed settings for the cutter bit.
- Avoid contact with the cutting edges to prevent cuts or injuries.
- Do not attempt to modify or alter the cutter bit in any way.
- Ensure that the cutter bit is securely attached to the RCT before use.
- If you experience any unusual vibrations or noises during operation, stop using the cutter bit immediately and inspect it for issues.

Instructions for Installation and Usage

1. Installation:

- Unplug the Armanov Router Case Trimmer (RCT) before installation.
- Remove the existing cutter bit if applicable.
- Insert the new 4flute cutter bit into the designated collet of the RCT.
- Securely tighten the collet to ensure the cutter bit is firmly attached.
- Plug in the RCT and ensure it is functioning correctly before use.

2. Usage:

- Adjust the RCT to the desired settings for your project.
- Begin cutting only when you are ready and ensure all safety measures are in place.
- Maintain a firm grip on the RCT while operating.
- Allow the cutter bit to do the work; do not force it through materials.
- After use, unplug the RCT and allow the cutter bit to cool down before handling.

Disposal Instructions

- Dispose of the cutter bit in accordance with local regulations for metal waste.
- Do not throw the cutter bit in regular household waste.
- If the cutter bit is damaged or worn beyond use, ensure it is stored safely until it can be disposed of properly.
