ARMANOV STENCIL FOR BRASS MARKING Safety Instructions

Introduction

Thank you for choosing the ARMANOV Stencil for Brass Marking Screws for CZ and Tanfoglio SpidErgo Grips. This product is designed to enhance your competitive shooting experience by ensuring secure mounting of grips on your pistol. To guarantee safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the screws for signs of wear or damage before each use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.
- Be aware of your surroundings while using the product to avoid accidents.

Specific Safety Precautions for Use

- Only use the provided M3.5 x 8 Torx screws for mounting the SpidErgo grips.
- Do not overtighten the screws, as this may damage the grips or the pistol.
- Ensure that the grips are securely attached before using the pistol.
- Avoid using the product in wet or damp conditions to prevent rust or corrosion.
- If you experience any difficulty during installation, refer to the installation instructions or seek professional assistance.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a Torx screwdriver suitable for M3.5 screws.
- Ensure that your workspace is clean and welllit.

2. Installation Steps

- Remove the existing grips from your CZ or Tanfoglio pistol by unscrewing the old screws.
- Align the Armanov SpidErgo grips with the mounting holes on the pistol frame.
- Insert the M3.5 x 8 Torx screws into the mounting holes.
- Use the Torx screwdriver to tighten the screws gently. Ensure that they are snug but do not overtighten.

3. PostInstallation Check

- Verify that the grips are securely attached and do not move when pressure is applied.
- Conduct a visual inspection to ensure all screws are properly installed.

4. Usage

- Use the pistol as intended, ensuring that the grips remain secure during operation.
- Regularly check the screws for tightness and integrity before each use.

Disposal Instructions

- Dispose of any damaged or unusable screws in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste. Check for local recycling options for metal components.
