

PDP MATCH

5" POLYMER FRAME

FEATURES OF THE WALTHER PDP MATCH POLYMER:

- 1.) Industry Standard Sights: Customize your shooting experience with ease using industry-standard sights, ensuring precise and accurate aiming.
- 2.) Performance Duty Grip Texture: The PDP Match features a performance duty texture that ensures a secure and comfortable grip, even in challenging conditions. Rain or shine, your hold remains steadfast, giving you the confidence to maintain control in any situation.
- 3.) SuperTerrain Slide Serrations: The SuperTerrain Serrations are uniquely designed protruding serrations on the slide, allowing for quicker and more responsive hands-on engagement with the pistol.
- 4.) Dynamic Performance Trigger: Experience a new level of control and responsiveness with the dynamic performance trigger. Whether during rapid-fire scenarios or critical engagements, the PDP Match trigger system ensures consistent and precise shots, enhancing your accuracy and confidence on the field.
- 5.) Aluminum Magwell: Enhance your reload speed and streamline your performance with the aluminum magwell. Designed to provide effortless magazine changes, the magwell optimizes your handling for seamless transitions between rounds, keeping you in the action without missing a beat.
- 6.) Optics Ready: The PDP Match is optics ready, allowing you to seamlessly integrate your preferred optic for enhanced accuracy and target acquisition. Whether you're a fan of red dots, holographic sights, or other optics, the PDP Match adapts to your needs with ease.
- 7.) 18/20 Round Capacity: Ensure ample firepower with a generous 18 or 20-round magazine capacity, providing you with extra rounds for added confidence in critical situations.
- 8.) Ambidextrous Magazine Release: Conveniently positioned for thumb operation. Reversible for right or left hand operation.
- 9.) Ported Slide: For weight reduction and barrel cooling.

PDP MATCH

5" POLYMER FRAME

TECHNICAL DATA:

Model:	2878241
Caliber:	9mm Luger
Finish:	Tennifer
Magazines Included:	1x 18 rds / 2x 20 rds
Barrel Length:	5" - 127 mm
Trigger Pull:	approx. 25 Newton
Capacity:	18 / 20 rds
Overall Length:	216 mm
Height:	145 mm
Weight (empty mag):	763 g

Behold the Walther PDP Match – an epitome of pure performance engineered to dominate. Crafted with an unwavering focus on function, this 9mm powerhouse stands as a testament to precision and power.

With a full-size polymer frame, the PDP Match finds its balance between endurance and ergonomics. The sleek aluminum mag well and basepads not only exude style but bring efficiency to magazine changes, ensuring you're always ready for action.

With an impressive 18- or 20-round capacity and a 5" barrel, this firearm promises ample firepower and surgical precision. Its optics-ready design allows for customization, enabling you to tailor your optic preference. The dynamic performance trigger ensures a seamless pull, unleashing your potential with every shot.

Topped with a tennifer coated slide adorned with strategic slide cuts, this marvel guarantees durability without compromise. The Walther PDP Match is more than a firearm; it's a collection of power, precision, and perfection, promising unparalleled performance and redefining the standards of excellence in the world of handguns.
